8/8/2021 21:05	Public Safety	Public Safety-6			The canal easements are eroding. This causes a threat to the homes' foundation and the safety of the residents. The city should work towards restoring and maintaining the land along the waterways.	2	0	analeatasio@hotmail.com									FALSE		FALSE	FALSE		Cooper City, FL	368F2F	0	0		172.58.7.64	172.58.174.140		https://ba	Chrome M	Mobile	United Sta	Florida						https://ba	NEGATIVE	NONE											
7/26/2021 20:15	City Beautification	City Beautification-10			I been a resident of Cooper City, since 1986 and have always love many things about our City; but feel that one thing that's always been missing is a cohesion between its beautiful neighborhoods. The City needs to be have landscaping, signage, street lamps and building architectural designs and features that bring everything together. There is also a need to have clear boundaries, accentuated with paths and flowering trees.	4	0	rmtemayo@bellsouth.net									FALSE		FALSE	FALSE		Cooper City, FL	C5232D	0	0		73.179.71.168	73.179.71.168		https://ba	Mobile Saf	Tablet	United Sta	Florida	Fort Lauderdale					https://ba	MIXED	NONE											
7/26/2021 11:11	City Infrastructure	City Infrastructure-05			I would like to suggest that Cooper City sets a goal for 80% of all plastic and paper products from households in the city be "actually" recycled. This most probably will incur in a higher cost than just the collection of such waste from waste management but we should strive to set an example of sustainability. It is the responsible and sensible thing to do. Currently most if not all recyclable waste is not actually recycled, but ends up in land fields.	2	0	emilia.m1@hotmail.com									FALSE		FALSE	FALSE		Cooper City, FL	84D926	0	0		73.0.21.156	73.0.21.156		https://ba	Chrome	Desktop	United Sta	Florida	Fort Lauderdale					https://ba	NEGATIVE	NONE											
8/10/2021 19:24	City Beautification	City Beautification-18			One thing that makes our neighborhoods look bad is when homes go into disrepair (i.e. roof has a tarp over it for years, grass is not cut, trees/shrubs are not trimmed, people are parking in the front yard, mold growing all over the place, etc.). I hate to make a broad statement, but in my neighborhood it's usually a couple homes that are rental properties (but not all). Do we hold landlords to the same standards as people who own and live in the home? Either way, enforcement codes.	0	0	maschickff@yahoo.com									FALSE		FALSE	FALSE		Cooper City, FL	3D377F	0	0		99.38.168.138	99.38.168.138		https://ba	Firefox	Desktop	United Sta	Florida	Hollywood					https://ba	MIXED	NONE											
8/8/2021 12:27	City Beautification	City Beautification-16			Cooper City is not a visually attractive city. I think the medians on the main roads should be beautified with plants like the one on Pine Island between Stirling and Sheridan. A Town Center would also be a good option as a gathering place. To facilitate commuting, specially for teenagers and kids, there could be a mini bus going around the city, charging a low fare. A traffic light is urgently needed on Pine Island, in front of Monterra and Estada.	2	3	anamike@aol.com									FALSE		FALSE	FALSE		Cooper City, FL	74D0DB	0	0		73.179.233.83	73.179.233.83		https://ba	Firefox	Desktop	United Sta	Florida	Fort Lauderdale					https://ba	MIXED	NONE											
7/29/2021 17:17	City Infrastructure	City Infrastructure-08			Close the gates for high school student traffic on Dudley Rd. High school students have no respect for people's property. Nothing more pleasant than high schoolers walking all over your property or sitting on your cars parked in your driveway. Then you have parents who also have no respect and block and park in your driveway. Then they give you the dirty look when you tell them to move.	0	1	mrandmrsbiro@yahoo.com									FALSE		FALSE	FALSE		Cooper City, FL	9A1697	0	0		174.211.128.254	174.211.128.254		https://ba	Chrome M	Mobile	United Sta	Florida	Seffner					https://ba	NEGATIVE	NONE
