SUMMARY:

Change order 2 to address damaged storm water/update storm water under Taylor Ave. Estimate is for time and materials. Materials will be provided as a "Will not exceed" amout with final invoice reflecting the actual cost of the materials to complete the additional project. Labor will be presented as an hourly rate per individual working during the duration of the change of scope. Hoskinson Contracting will begin and finish the additional scope without pause to insure the road closure is limited to the shortest timeline possible. Project will commence 11/18/2024.
