Good afternoon, Stephanie.

The Pipestone Performing Arts Center would like to submit a request for the Pipestone City Council to allow us to place flags on the curb again this summer. I have attached a photo of what has been done in the past and a preview of this year's design; this request has been approved for the past couple of summers for your reference.

This year, the community theater is staging the musical "The Wizard of Oz".

Our request this year is to fly the flags downtown on the curb in front of the PPAC after Memorial Day, during the entire month of June. The flags will include the show title and performance dates as part of the design.

The flags will be removed on June 14th for Flag Day.

The show dates for the "The Wizard of Oz" performances are June 18-21 and June 25-28.

Please let me know if you have any questions, and if you need me to submit any further information.

Thanks, Stephanie!
