Christina,

After talking to Steve this afternoon, I am fine with both of these. Thanks

Subject: FW: Rezone/replat request

Mr. Barnes,
This is a request for simultaneous replat and rezone. The proposed project is a senior living development located on Lingleville Road north of Northwest Loop intersection. The development would be located behind the existing Laurel Glen Assisted Living & Memory Care with commercial site along Lingleville Road.

Please let me know if you need additional information about the project.
