Attachments:	image150942.png Invoice SI-5060.pdf

Attached is a copy of the motor invoice we just received. Crane truck used was the same size as the boom truck so no charge for this usage and 10 hours has been used against the annual allotted boom truck hours. There should be one invoice left from CED that is under $1000 but we still have not received it. Total for the Industrial/Mechanical crew labor is $2466.12.
