Lore, please find the attached quotes. There is only two as we did not get a response from "Honda Kawasaki KTM of Modesto"

Additionally, the quote from the Las Vegas dealership specifically indicates that their quoted machine does not include the required upfitting GVPD is looking for.

Thank you. I will write this up and have Catrina and someone from the PD Review it before it goes on the agenda. I think I only have the Winning quote for the motorcycle. Can you send over all the quotes you received and anything showing that you solicited three vendors? Names?

Thank you!

Loree, does this provide you with the justification you're seeking for the consent agenda item?

Lt. Blakemore,

We may use “Sole Source” for the truck purchase. We have a government contract with Enterprise Rental agency and we get a government discount from them in our contract we have with them for our purchases. We did not get 3 separate quotes for the purchase of the truck since we have a contract with Enterprise.

For the Zero motorcycle, yes, I did reach out to three separate dealerships to receive quotes on the bikes. Only two of them responded to me with the requested quotes and accessories for the bikes. Those quotes and information was attached during our original submission to the city for the purchase approval.

Dale, yesterday I spoke with Loree about the PROP 64 vehicles. BSCC has approved the vehicles but she needed a little bit of info to appropriately put the purchase of these vehicle on the City Council Agenda for next week.

First, was the pickup a “sole source” quote or did we get three? Please explain. For your info, there is a difference in how purchases are presented to council if its sole source.

Second on the bike, can you confirm for this thread that we searched for quotes and solicited three companies but only heard back from 2.

Thanks Dale!
