I am a local resident with experience in community development, having worked as legal counsel dealing with governance and real estate issues. I am interested in serving as a board member to the planning and zoning commission to help foster dependable and responsible growth here in the City and Borough of Juneau. As my resume shows I have a background in serving as a support to boards and committees as well as residents in a real estate capacity. While I have opted for a work sabbatical regarding law in recent years, I have reactivated my Alaska bar license from time to time to help in a volunteer capacity with clients and those in need. I am now seeking to volunteer my efforts in the Community and Development Department Planning and Zoning Commission of the CBJ. I am available for more than 15 hours a month to this end and believe I would be of particular use or benefit to the planning and zoning commission. I am available for interview telephonically or in person. If selected, I look forward to assisting Juneau in its goals for dependable and responsible growth.
