Dear CBJ Assembly Members:

The Medical Staff at Bartlett Regional Hospital (BRH) represent Juneau physicians ensure high quality healthcare is available in the community. From this perspective, we certainly appreciate the work of the Bartlett Regional Hospital Board of Directors (BOD) that govern and oversee leadership at BRH, as well as the efforts of the nurses and other dedicated hospital employees.

The Medical Staff Executive Committee (MSEC) and Medical Staff feel strongly that it is critical to maintain physician member on the BRH Board of Directors (BOD). Physicians add value to the Board because they are aware of hospital issues, provide patient care, and know the day-to-day operations. For these reasons, the MSEC and Medical Staff recommend John Raster, MD, Otolaryngology, to be considered for a term on the BRH BOD.

Thank you for your consideration on this matter and for all the other work you do to support BRH. Feel free to contact me at (907) 723-9013 or chiefofstaff@bartletthospital.org if you have any questions or would like to discuss this further.

Sincerely, Joe Roth
