LF Pricing and Hours Changes

- Feb 1st LF Disposal Rate changes
  - Rates increasing approx. 10%
    - All costs increasing
  - LF Charges Simplified
    - Reduce confusion and conflict
      - 1000 pound minimum charge
    - No vehicle size rate categories
- Feb 1st LF Hours Changes
  - No Change to Recycle or Commercial Accounts
  - Public Hours Sat 8:00 to 12:00
    - Safety – Public generally not complying with safety requests
    - Reduces number of vehicles
      - Minimize Working Face to mitigate odors

Closing Thoughts

- Typical Community Solid Waste Management
  - Waste and Recycling collected commercially
  - Managed by local government
    - Allows oversight of community sustainability goals
    - 1 collection vehicle 75 to 100 homes
      - Reduces carbon footprint, traffic, litter
- Recycling and Organics Diversion
  - Recycling Diversion
    - Large opportunity for more recyclable diversion
  - Organics Diversion
    - Carbon Reuse
    - Mitigates Odors
    - Extends LF Life

Thank you.
