If the current bill is paid by the user within ten days from the date of its rendition, the net rate shall apply, otherwise, the gross rate shall apply.
- (c) *Additional charges for burdensome sewage.* In cases where the character of the sewage from any premises is such that it imposes an unreasonable burden upon the sewage disposal plant, the city may, by appropriate ordinance, impose additional uniform charges for such services to and for such premises, and/or may, in lieu of or in addition to such additional charges, require such sewage to be treated in a manner specified by the city before being discharged into any sewer connected with the sewage disposal plant.
