Agenda Item Description: Request to purchase 2
garbage trucks

Agenda Item Requestor: Fred Hawkins

Summary/Background: Request to order 2 new garbage trucks for a price of \$662,592.58. We will trade in or sell the trucks they are replacing. We anticipate receiving \$60,000-\$100,000 for trade in of the current trucks.

The current garbage truck fleet replacement plan was started in 2022 when the first of 6, 2018 trucks were replaced. One additional truck was ordered with anticipated delivery of June 2023. We are asking to order two trucks now with an anticipated summer 2024 delivery. This will speed up the current replacement plan by one year for a completion date of 2027 instead of 2028. This ask is due to the condition of the trucks.
