08-19-2021 Minutes - Public Safety Committee

AGENDA ITEMS

Lacey's Grove Traffic Discussion

The Committee will discuss traffic within the Lacey's Grove Subdivision.

This area does not meet the requirements for Speed Tables, but once the HOA provides decorative poles, the City will install electronic speed signs.

Sterling Gate Traffic and Future Development

Review traffic within the Sterling Gate Subdivision and discuss future development.

No action at this time. The Committee discussed asking P&Z to address within the Subdivision Regulations for future developments.

Alabaster Fire Department Update

The Committee will hear from a member of the Alabaster Fire Department and receive an update on operations and the future for AFD.

Chief Love provided detailed Incident Statistics for the Committee.

He also provided an update on the new ambulance service and anticipated needs related to this service.

Alabaster Police Department Update

The Committee will hear from a member of the Alabaster Police Department (APD) and receive an update.

APD has been in the new building for 4 months now with many tours provided. Still turning in items for the punch list and tint has been ordered. The fountain has been leaking and will have to be repaired. New dog kennel is being built down at Limestone. New Tahoes are being delivered shortly. City anticipates selling old Tahoes when the new ones come in. Several new officers are in various points of training and there are two openings that should be filled this summer.

We will be holding a dedication for the Police Chief Plaques located out front of the new Police Station.

Committee discussed additional traffic calming in various areas of the City.

Street Light Requests will be handled directly with Alabama Power.

ADJOURN MEETING
