

Wellington Manor Pools – Sewer Credit Request

Wellington Manor is requesting a sewer credit for filling the pools.

City Staff has recommended an adjustment from commercial sewer to residential sewer for volume of the two pools. This will be used to calculate this credit.

1. What dates were the pools filled?
 - a. Clubhouse pool started work May 4th-6th. Repairs needed, so had to pull down and refill 19th-20th.
 - b. Lower pool – June 15th-June 21st – work being done.
2. What sizes are the pools?
 - a. Both pools are 30,000 gallons
3. If you have any drawings of when they were installed that would help them also.
 - a. Clubhouse pool was installed in 1998 when the property was built.
 - b. Lower pool was installed in 2004 when new buildings were added to property.
4. They will need the length, width, and depths of shallow and deep ends.
 - a. Both pools are 20'x40' – Kidney shape – 3'-6' Depth.
