Submitted By: Fred Hawkins

Council Meeting Date: April 28, 2025

Agenda Item Description: Request to add LED streetlights for the area including King Charles Way, King Charles Lan, and King James Ct. This involves 9 streetlights in this area. The cost will be a monthly fee of \$129.42.

Agenda Item Requestor: Fred Hawkins

Summary/Background: There are 9 streetlights in the area involved. These lights are not in the city budget. We are requesting that they be converted to LED and added to the city's account as the other Alabaster streetlights are set up. These had fallen through the cracks on the last audit. We would request that they be changed to LED and switched to Alabaster Billing.

Financial Impact:

Monthly: \$129.42

Yearly: \$1553.04
