**ITEM NAME:** **CONSIDER CITIZEN CONCERN REGARDING PAVING REPAIR AT THE CORNER OF 4TH AND WALNUT**

---

**PRESENTER(S):**

Dean Schmid

**BACKGROUND INFORMATION:**

Mr. Schmid has concerns with holes in paving at the corner of 4<sup>th</sup> and Walnut, holding mud and supporting plant/weed growth and requested address the city council regarding this concern.

I've reviewed the site – it is a low spot.

I've discussed with Joe Landauer – he says he can fill any holes and check on this area more frequently to scoop up mud/silt that settles.
