

FUNDS REQUEST MEMORANDUM

FROM: Albion Economic Development Corporation
DATE: August 7, 2023
TO: Citizens Advisory Committee and Albion City Council
AMOUNT: \$39,050.00 – Release of Funds for Continuation of Infrastructure beyond Levander Funeral Home

PURPOSES:

1. AEDC requests the release of \$39,050 from LB840 funds for the support of the Levander Funeral Home infrastructure project. Levander Funeral Home is building a new facility on South 6th Street. Levander's are required to extend the infrastructure for water and sewer through their property to support future development of Albion to the south. The Levander quote is \$78,100 total and includes only the sewer and water mains along the frontage and does not include any of the necessary piping needed to connect the new building to the main line. AEDC wishes to encourage future development in south Albion by supporting the installation of infrastructure after the point where Levander Funeral Home will tie in.
