<p><b>SUMMARY STATEMENT:</b></p> <p>The draft 2024 Planning Commission Work Plan for discussion tonight is put together from input gathered at the Special Joint Meeting held on January 26<sup>th</sup>. The only thing that was left up in the air was the Wetland Mitigation Banking. In a recent conversation with our new planner Eric Jensen, the process is cumbersome and, with consideration of the current projects, it his recommendation that the City waits until next year to begin the work. It is still on this version for Council's agreement to keep or remove it.</p>			
<b>COMMITTEE REVIEW AND RECOMMENDATION:</b>			
<p><b>RECOMMENDED ACTION:</b></p> <p><b>Make a motion to approve the 2024 Planning Commission Work Plan.</b></p>
