Riley,

Thank you for the opportunity to seek concurrence, if necessary. At this time the County supports Alpine's development of a Master Plan.

The County will take, into consideration, Alpine's Master Plan as a reference prior to looking at any Overlay and LUR Changes.

Thank you again for reaching out.

Stephen

Hello Mr. Allen,

Where are we with establishing concurrence? We are ready to move the plan along for adoption at our next regularly scheduled Town Council meeting.

Thank you!

Mr. Allen,

Thank you for taking my call regarding concurrence that is needed for portions of the Master Plan that address growth outside of incorporated Alpine (the "overlay" area). The document is too large to send over email so I've provided a link: <https://www.alpine-master-plan.com/28612/widgets/101057/documents/84834>.

Please give it a look and let us know how to go about seeking concurrence, if necessary, above and beyond what's already been done through the overlay process on your end.

Best,
