Dear Brenda Sisco and Juline Christofferson,

I hope this letter finds you both well.

I am writing to address an important matter regarding the “All Nighter” Liquor License Permit. Due to a miscommunication, it has come to my attention that there is only one day remaining for which this permit can be scheduled. The available dates for the permit are October 31, 2024, or December 31, 2024.

Given the limited timeframe, I kindly request that both establishments coordinate and decide among yourselves which of the two dates you would prefer to utilize the permit. Please provide your decision at your earliest convenience, but no later than September 12th, 2024, to ensure we can process the necessary arrangements without delay.

To complete the process, please see the attached form. Kindly complete, sign, and return it either by mailing it to the Town Hall at P.O. Box 3070 or by dropping it off at 250 River Circle.

If you have any questions or need further clarification, please do not hesitate to contact me directly. Thank you for your prompt attention to this matter and your cooperation.

Best regards,

Sarah Greenwald
