Re: WY FLAP ALPINE GREYS RIVER ROAD AND PARKING
Wyoming Federal Lands Access Program (FLAP) Project Application

Ms. Chenault,

Thank you for your interest in the Wyoming Federal Lands Access Program (FLAP). After a review of all submitted applications, the above referenced project was not selected to be programmed in this call for projects.

The Wyoming Programming Decision Committee (PDC) appreciates the time and effort applicants put into developing proposal packets for consideration of funding. The project not being selected into the program of projects during this call for projects does not preclude you from applying in future calls, either for this project or others. If you would like to discuss this further, please reach out to me to schedule a call.

Thank you again for your interest in the Federal Lands Access Program.

Sincerely,

**JEFFREY MELVIN
SANDERS**
