Alpine Town Council

PO Box 3070

Alpine, WY 83128

I am writing to recommend that the Town Council accept the proposal presented by **Sunrise Engineering** for the impact and capacity fees study. While their bid was not the lowest, when compared to the option provided by Raftelis, I believe that Sunrise Engineering offers significant advantages that make them the best choice for this project.

Sunrise Engineering has a proven track record with the Town of Alpine, as well as with other local municipalities. Their familiarity with our specific needs and challenges gives them a unique perspective that I believe will lead to more effective and efficient outcomes.

Thank you for considering my recommendation. I am confident that Sunrise Engineering will deliver valuable insights and results for our community.
