

Town of Alpine Special Event Permit Applications – Cover Letter

The Town of Alpine has prepared and submitted Special Event Permit Applications for the following upcoming Town-sponsored events:

- Alpine Car Show / Alpine Art Festival
- Alpine Mountain Days
- 4th of July Celebration
- Music in the Mountains / Farmers Market

These events are organized and hosted by the Town of Alpine and serve as key community gatherings that promote local engagement, tourism, and economic activity.

The events are proposed to be held at various approved locations throughout the Town of Alpine, including the Alpine Civic Center and other designated public spaces, as outlined in the submitted applications.

Given that these are Town-sponsored events, staff recommends that the Town Council review and consider approval of the submitted Special Event Permit Applications and waive the associated application fees.

Please find the completed applications and supporting materials attached for review and consideration.

Respectfully submitted,

Sarah Greenwald
Assistant Clerk
Town of Alpine
