To whom it may concern:

I have just heard that there is a possibility that firework sales in Alpine might come to an end. I ask you to strongly reconsider. My family comes there for fireworks every year. We also eat a meal or two, get gas, and get a treat while we are there. Yes it is very convenient for me to have fireworks close by but it also brings in revenue for many other businesses in Alpine. I ask you to continue to allow fireworks so people like me can continue to visit your small town and support the other businesses in the area.

Sincerely,

Thomas Long
