Good afternoon everyone,

I hope you are having a productive week.

I am writing to request a formal designation regarding the priority levels for our current projects: the Sanitary Sewer project and the Well #4 Improvement project. To ensure we are prepared for the upcoming Board Meeting, could you please clarify which of these should be categorized as Priority 1 and which should be designated as Priority 2?

Thank you for your assistance with this matter.

Best regards,

Whitney Mullikin
