DESCRIPTION

Necessary labor and materials needed to replace 3-7.5 ton Trane roof top package units with gas heat. This will include the following:

- *3-Trane 7.5 ton package units with gas heat, fresh air dampers, coil guards.
- *3-Custom built curb adapters.
- *Crane and rigging.
- *Reconnect electric power with new disconnects, gas piping, condensate drains to the existing roof top termination point.
- *City permits as needed.
- *Honeywell Pro 6000 thermostats.
- *Smoke detectors.
- *Disposal of the old units.
- *New equipment start up and standard equipment warranties.
- *Quote is valid for 30 days. Trane has a 10% increase in January 2022.
- *If this is non taxable, we will need proper documentation. For now we will include sales tax in this quote.
- *Equipment has a lead time of 20-22 weeks.

Excludes:

- *Roofing.
- *Automated controls or control system.
- *Stucco or painting repair.
- *Overtime or weekend hours.
