EXECUTIVE SUMMARY:

The City of Angleton has been approached about a possible development on Miller Street the Parish Street intersection. The City and the developer discussed splitting the cost for installing a portion of the sidewalk along Miller street as part of his development. The City elected to install additional sidewalk to a bus stop on Parish Street and improve the turning radius of Parrish Street intersection. HDR has previously been giving direction to proceed forward with the design of project and has a bid ready package. The OPCC is Approximately \$185,000 and the developer portion is \$11,250.00. Please see the attached OPCC for this project.

RECOMMENDATION: Proceed forward with the bidding phase of this project.
