EXECUTIVE SUMMARY:

At the August 17, 2026 meeting, the Angleton Better Living Corporation reviewed the updated proposed FY 2026–2027 budgets for the Parks & Right-of-Way, Recreation, Angleton Recreation Center (ARC), and Angleton Better Living Corporation divisions. The updated budgets incorporated direction received from City Council during the budget workshop process, including employee compensation adjustments, limited changes to Parks operating accounts, and the financing strategy for priority Parks equipment.

Since the August 17 meeting, Finance presented the proposed FY 2026–2027 City budget to City Council for approval on September 8, 2026. The budget presented to City Council reflected the items previously reviewed with ABLC, and no additional changes were made to the Parks & Right-of-Way, Recreation, ARC, or ABLC division budgets following the August 17 meeting. The proposed budget includes the previously discussed salary and compensation increases for eligible employees.

RECOMMENDATION:

Staff recommends ABLC approve the FY 2026–2027 budgets for the Parks & Right-of-Way, Recreation, Angleton Recreation Center, and Angleton Better Living Corporation divisions as presented.
