EXECUTIVE SUMMARY. This is a request for approval of a petition filed originally on December 16, 2024, requesting release of approximately 107.483 acres of land from the extraterritorial jurisdiction (ETJ) of the City of Angleton enabled by new legislation known as Senate Bill 2038. The request is from the owners of the property, Angleton Estuary LLC.

BACKGROUND:

Enacted state law allows landowners or residents to submit a written petition to a city to release their property from the city's extraterritorial jurisdiction (ETJ). In the 88th (Regular) Texas legislative session, Senate Bill 2038 was passed and is effective as of September 1, 2023. The newly enacted Local Government Code, Chapter 42, Subchapters D and E codified and established a petition and election process for releasing property from a city's ETJ.

FUNDS REQUESTED: None

Comprehensive Plan/Land Use Plan:

Staff has reviewed the property status that is subject to this petition for ETJ removal, as it relates to the long-range Comprehensive Land Use Plan. As shown

below, the land use plan recognized this study area as a commercial node/gateway into the City

that recommends Industrial and Commercial uses along the SH288-B corridor. While this property lies within a distance of approximately 390 ft. to the City Limits line, its removal could affect the core planning consistency for that region. An appropriate mix of both commercial and industrial uses are recommended for this area with good access to highways and major arterials.

Recommendation. City Council should review and consider approval of the petition requesting removal from the Extraterritorial Jurisdiction of the City of Angleton, Texas for property totaling approximately 107.483 acres of land located on the east side of SH 288B, north of the intersection of FM523 and SH288.
