

## AGENDA ITEM SUMMARY FORM

---

**MEETING DATE:** 12/18/2023

**PREPARED BY:** Megan Mainer, Director of Parks & Recreation

**AGENDA CONTENT:** Discussion and possible action on replacement natatorium components for the Angleton Recreation Center.

**AGENDA ITEM SECTION:** Regular Agenda

---

**BUDGETED AMOUNT:** \$0 **FUNDS REQUESTED:** \$0

**FUND:** TBD by ABLC

**EXECUTIVE SUMMARY:**

The Angleton Recreation Center had a water feature component that was out of service in the summer of 2023. Staff have been working on various short and long-term solutions for water features components since before the 2023 summer season. A short-term solution was identified but the contractor later withdrew and recommended a long-term solution. As a result, staff requested long-term solutions from various aquatic companies.

On October 16 and November 13, 2023, staff presented ABLC with a range of replacement options. At the November 13, 2023 ABLC meeting, the corporation approved debt issuance to address various park and recreation projects including Angleton Recreation Center water features and other Angleton Recreation Center maintenance issues. If debt issuance is approved, funds will likely be available in April 2024 and will not exceed \$500K for Angleton Recreation Center water feature components and other maintenance items.

Parks & Recreation staff have included a range of solutions and pricing as supporting documentation within your agenda packet to discuss. ABLC eliminated one option leaving the four options below for consideration.

Natatorium Components (Proposals as attachments)	
• Vortex	\$200,828.61
• LoneStar Recreation – Aquatix Option 1	\$340,947.95
• LoneStar Recreation – Aquatix Option 2	\$367,573.60
• LoneStar Recreation – Aquatix Option 3	\$396,035.60

**RECOMMENDATION:**

Staff recommends the Parks & Recreation Board review the water feature solutions and pricing and recommend a solution to ABLC and City Council for approval.
