Angleton Parks do not allow any non profit to use their parks for fundraisers EXCEPT sports. So Angleton Prograd is having to go use Lake Jackson or Danbury or a private farm. Wonder if Angleton city services realizes prograd is for all graduating seniors and encompasses all sports?! Angleton needs to do better! The parks are for ALL Angleton residents to use not just sporting events.

I am fighting this same battle with trying to rent softball fields for my select teams. The city says they do not have anything to do with renting the fields. Yet the signs on the fields say to reach out to parks and recreation for field rentals. The system is all wrong in how they conduct business. We need someone to step up and help our community. I pay my taxes like everyone else trying to get services.

I have requested this to be brought to the next council meeting for discussion and possible action. Several of you have messaged today and I appreciate you bringing this up. We will look into this.
