This approval shall constitute approval of a “Concept Plan” or “Master Plan” pursuant to Development Code Section 23-104 and Section 23-120 for all purposes. The City and the Developer agree that one of the primary purposes of this Agreement is to provide for quality development of the Tract and certainty as to the regulatory requirements applicable to the development of the Tract throughout the development process. Feasibility of the development of the Tract is dependent upon a predictable regulatory environment and stability in the projected land uses. In exchange for Developer’s performance of the obligations under this Agreement to develop the Tract in accordance with certain standards and to provide the overall quality of development described in this Agreement, the City agrees to the extent allowed by law that it will not impose or attempt to impose any moratoriums on building or growth within the Tract.

By the terms of this Agreement, the City and the Developer intend to establish development rules and regulations which will ensure a quality, unified development, yet afford the Developer predictability of regulatory requirements throughout the term of this Agreement. The City and the Developer agree that development of the Tract shall be subject to the Development Code as defined, not including future amendments or changes, except that after twenty-five (25) years from the effective date of this Agreement, development of the Tract shall be subject to the Development Code Design Standards as amended at the time.

- (e) The MUD may obtain water and wastewater service from a third-party utility provider, including a private company or partnership, as long as the MUD has the option to purchase the water and wastewater facilities prior to the City annexation and dissolution of the MUD, as provided in the Strategic Partnership Agreement, to serve the Tract with water and wastewater service.

Section 3.03 Design Standards for the Utility System.

- (a) The Developer will design and construct the Utility System in accordance with standards in the Development Code.
- (b) The Developer shall provide written certification to the City from a professional engineer registered in the State of Texas that the plans for any portion of the District’s Utility System meet the design criteria in the Development Code. 60+ feet (includes 60s,65s, 70s, 75s, 80s)	10%
Non-Traditional Homes	10%

Section 3.06 Fees and Charges. The Developer agrees to pay the City platting, plan review fee, and inspection fee or deposit against expenditures as set out in Section 30-5 of the Angleton Code of Ordinances, and Security as set out in Section 23-36, and agrees to comply with the terms set out in Sections 23-36 and 30-5 as they related to fees and charges, and as shown on **Exhibit L.**

The City may periodically increase fees as shown on Exhibit L as applied to development in the Tract, provided the following conditions are met:

- (a) the rates and charges are uniformly applied to all development in the ETJ and within the City limits;
- (b) the rates and charges are changed only once within any 12-month period; and
- (c) any annual rate increase will not to exceed the annual increase in the CPI for the Houston region, provided however, the City may increase rates by 50% once within the first two years of the Effective Date.

Neither the District, the Developer nor any homebuilder is required to pay impact fees, capacity fees, or connection charges to the City unless they are connecting to a City facility. This section does not apply to the payment of fees in lieu of park land.

Section 3.07 Parks and Recreational Facilities

- (a) The Developer intends to develop more than 200 acres of reserve, preservation parkland, and open space, including but not limited to active and passive parks, walking trails, recreational centers, detention and drainage facilities with recreational amenities, landscaping and trails along major thoroughfares (collectively, the “Community Park System”) as shown on **Exhibit F.** The timing of the dedication of the Open Space will follow the development of the District and will continue throughout the development of the District.
- (b) The City and the Developer agree that substantive and procedural detail contained in this Section will apply to the development of park facilities for this Development:
 - (i) the Developer will dedicate a minimum of 250 acres of land to the MUD (which will ultimately be owned by the City after annexation) and will spend a minimum of \$5,045,000.00 on the development of improvements within those facilities i Any improvements within the 5-acre City Park will fully comply with the Park Requirements.
 - (ii) The dedication and development of the park facilities will occur in phases to coincide with platting and development of homes, specifically: the Developer will dedicate to the MUD any land shown in the Park Master Plan as the Developer plats the land adjacent to the proposed parkland, and the Developer will construct the improvements on the parkland within 1 year of the recording of the plat. As long as the Developer is dedicating parkland and making improvements in accordance with this Agreement, approval of individual plats within the development do not require contemporaneous dedication of park land development, payment of fee in lieu, or posting of a bond or other

security, as the City is entitled to compel the required dedication through specific performance under this Agreement.

- (iii) The City agrees that the Developer's dedication of parkland and development of such land in accordance with this Agreement, as described above and illustrated and as shown on **Exhibit F**, is in lieu of the parkland dedication requirements in the Development Code and the City will not require any other parkland development or fees for the development of the Tract.
- (c) The City agrees that the Developer shall make provisions for public park and recreational facilities to serve the Tract to be financed, developed, and maintained by the District, to the extent authorized by state law. The Developer agrees that any such amenities may be dedicated to the District for ownership and operation and shall not be the responsibility of the City unless and until the City annexes the District, in which case the amenities owned by the District would become the property of the City. However, sites for stormwater detention systems shall be conveyed to and operated and maintained by the District. Notwithstanding the foregoing, prior to the first connection to the District's water supply system within the Tract being made, the Developer shall enter into a contract with the HOA, or other entity acceptable to the City, but referred to as "HOA" in this subsection. Said contract shall provide that the land within the Tract shall have reserved stormwater detention capacity within the system and shall further provide that if the District is dissolved pursuant to any applicable law, the HOA, prior to the effective date of dissolution, shall accept maintenance responsibility for the landscaping of the stormwater detention system. If the City is annexing the District for a limited purpose, the District will continue to maintain and operate the stormwater detention facilities. If the City annexes the District for full purposes and dissolves the District, the City will own, operate and maintain the stormwater detention system.
- (d) Prior to commencement of design of the Recreational Center shown on **Exhibit F**, the City and the Developer agree to meet to discuss design elements of the Recreational Center to reduce unnecessary duplication of facilities at the City's existing Recreational Center.

Section 3.08 Fire Protection Services. The Developer shall dedicate at no cost to the City of Angleton, or the entity designated with responsibility for fire protection a site for a fire station within the Tract. This Fire Station Site will be no less than 1.5 acres in size, at a mutually agreeable location to the Developer and the City or fire protection entity will have off-site detention capacity available in the District's detention facilities. The City will not provide compensation for the donation of the site but will upon request, execute an IRS Form 8283 acknowledging the fair market value of the donation.

Section 3.09 Other Site Dedication for City Facilities. The Developer will dedicate to the City (or to the MUD for further conveyance to the City) two sites, at locations to be mutually agreed upon for the following:

- (c) Any other provisions of the City's Ordinances that are applicable by their terms and by law in the ETJ.

Section 3.12 Homeowners' Association. The Developer will create detailed Deed Restrictions and a HOA that will enforce the Deed Restrictions and be made legally responsible to maintain all common areas, private streets, recreation reserves and common amenities not otherwise dedicated to the public or the District. All land and facilities dedicated to the District shall be maintained by the District. In the event the HOA becomes insolvent or fails to maintain proper documentation and filings with the State of Texas as required and loses its authority to operate and transact business as a property owner's association in the State of Texas, then the City shall have the right to, but is not obligated to, enforce the Deed Restrictions and other matters as set forth in this Agreement and shall have all authority granted to the HOA by virtue of this document and related Property Owner's Association Bylaws, including, but not limited to, the authority to impose and collect maintenance fees and other necessary fees and assessments to further the upkeep of subdivision improvements as stipulated herein and as deemed necessary by the City.

(a) Maintenance of such open spaces shall be the responsibility of the District, subdivider, or the HOA.

(b) The articles of the HOA shall require homeowner assessments sufficient to meet the necessary annual cost of the improvements (but may account for developer subsidy in the first 10 years). Further, the articles shall provide that the HOA shall be required to expend money for the improvements and repairs to maintain all infrastructures under its jurisdiction. Further, the articles shall require that the HOA file with the City annual reports of maintenance and that the HOA shall be required to initiate all needed repairs in a timely manner.

Covenants, conditions, and restrictions for the HOA must be filed in each Phase.

Section 3.13 Deed Restrictions Regarding Building Regulations. The Developer shall ensure the HOA and the deed restrictions over the Tract which will enforce the building regulations within the restrictive covenants for the Tract. Thereafter, the Developer will include such architectural guidelines in its deed restrictions to be enforced by the Developer or HOA. Upon request, the HOA or Developer will certify to the City that each commercial building conforms to the Commercial Guidelines. The Commercial Guidelines will provide that commercial property developed along FM 521 will match or complement the external building materials of the schools constructed along FM 521 within the Tract.

Nothing herein shall be construed as requiring the Developer, or anyone else constructing within the Tract to apply for or obtain a building permit from the City.

Section 3.14 Signage. The community monument signage is illustrated on **Exhibit H**, and the City approves the style and materials associated for that sign. Within 45 days from the Effective Date, the Developer will submit to the City for approval a master signage plan for the Tract that includes community monument signs, wayfinding signs, commercial signs, community advertising signs on SH 288, and may include any other type of sign within the community that the City and the Developer wish to include. Once approved, the Developer may construct any signs in the approved master signage plan without a permit. Any other sign within the Tract will require a sign permit in accordance with the Development Code.

Section 3.15 Prohibition of Rental Communities. The Developer shall be prohibited from creating or allowing “rental communities” within the District. 3. At the time of the Full Purpose Annexation Conversion Date, as defined in the Strategic Partnership Agreement attached hereto as **Exhibit J**, the land which is included within the District's boundaries shall be deemed to be annexed into the City limits without the need for further action by the City or City Council; or

Pursuant to Sec. 43.0751(h), upon request from the District, the City may terminate this Agreement and annex the District for limited or full purposes prior to the Full Purpose Annexation Conversion Date under the consent annexation procedures contained in the Texas Local Government Code Chapter 43 Subchapter C-1.

4. Upon the Full Purpose Annexation Conversion Date, the land contained in the District may be annexed without the Developer's further consent. However, the land may only be annexed prior to such date with the Developer's consent pursuant to Sec. 43.0751(h).
5. Pursuant to Tex. Loc. Gov't Code Sec. 212.172(i), the City waives immunity from suit for the purpose of adjudicating a claim for breach of this contract.

ARTICLE VI PROVISIONS FOR DEVELOPER

Section 6.01 Waiver of Actions Under Private Real Property Rights Preservation Act. The Developer hereby waives its right, if any, to assert any causes of action against the City accruing under the Private Real Property Rights Preservation Act, Chapter 2007, Texas Government Code, that the City's execution or performance of this Agreement or any authorized amendment or supplements thereto may constitute, either now or in the future, a "Taking" of Developer's, Developer's grantee's, or a grantee's successor's "Private Real Property," as such terms are defined in the Act, provided, however, that this waiver does not apply to, and the Developer and Developer's grantees and successors do not waive their rights under the Act to assert a claim under the Act for any action taken by the City beyond the scope of this Agreement which otherwise may give rise to a cause of action under the Act.

Section 6.02 Developer's Right to Continue Development. The City and the Developer hereby agree that subject to any terms in this Agreement, the Developer may sell all or a portion of the Tract to one or more Persons who shall be bound by this Agreement and perform the obligations of Developer hereunder relative to the portion of the Tract acquired by such Persons.

Section 6.03 Uniform Treatment. Notwithstanding any provision herein to the contrary, neither the Developer nor the District shall be required to design or construct public infrastructure to a standard higher than a standard made applicable hereafter to another conservation and reclamation

district or developer developing land within the City's extraterritorial jurisdiction, it being the intention and desire of the City that development of the Tract not be at a competitive disadvantage with other developments within the City's extraterritorial jurisdiction.

ARTICLE VII DEFAULT, NOTICE AND REMEDIES

Section 7.01 Event of Default. It is the intention of the parties to this Agreement that the Tract be developed in accordance with the terms of this Agreement and the Developer shall follow the development plans as set out in the Land Plan.

- (a) The parties acknowledge and agree that any material deviation from the Land Plan and the concepts of development contained therein and any material deviation by Developer from the material terms of this Agreement would frustrate the intent of this Agreement, and therefore, would be an "Event of Default" of this Agreement.
- (b) Each of the following events shall be an "Event of Default" by the Developer under this Agreement, once the applicable time to cure, if any, has expired:
 - i. The Developer shall fail to comply with any term, provision or covenant of this Agreement, and shall not cure such failure within ninety (90) calendar days after written notice thereof is given by the City to the Developer;
 - ii. The filing by Developer of a voluntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtors, rights;
 - iii. The consent by Developer to an involuntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights;
 - iv. The entering of an order for relief against Developer or the appointment of a receiver, trustee, or custodian for all or a substantial part of the property or assets of Developer in any involuntary proceeding, and the continuation of such order, judgment or degree unstayed for any period of ninety (90) consecutive days;
 - v. Any representation or warranty confirmed or made in this Agreement by the Developer was untrue as of the Effective Date.
- (c) Each of the following events shall be an Event of Default by the City under this Agreement:
 - i. The City shall fail to comply in any material respect with any term, provision or covenant of this Agreement, other than the payment of money, and shall not cure such failure within ninety (90) calendar days after written notice thereof is given by the Developer to the City.

- (d) A material breach of this Agreement by Developer shall be deemed to have occurred in any of the following instances:
1. Developer's failure to develop the Tract in compliance with the approved Land Plan, as from time to time amended; or Developer's failure to secure the City's approval of any Substantial Change to the Land Plan; or
 2. Failure of the Developer to substantially comply with a provision of this Agreement or a City ordinance applicable to the Tract.
- (e) The parties acknowledge and agree that any substantial deviation by the City from the material terms of this Agreement would frustrate the intent of this Agreement and, therefore, would be a material breach of this Agreement. A material breach of this Agreement by the City shall be deemed to have occurred in any of the following instances:
1. The imposition or attempted imposition of any moratorium on building or growth on the Tract prohibited by State law or this Agreement;
 2. The imposition of a requirement to provide regionalization or oversizing of public utilities through some method substantially or materially different than the plan set forth in this Agreement;
 3. An attempt by the City to annex, in whole or in part, the property within the District prior to the occurrence of the conditions set forth in Article V of this Agreement;
 4. An attempt by the City to enforce any City ordinance within the Tract that is inconsistent with the terms and conditions of this Agreement;
 5. An attempt by the City to require modification or amendment of the Land Plan where it complies with the requirements of this Agreement; or
 6. An attempt by the City to unreasonably withhold approval of a plat of land within the Tract that complies with the requirements of this Agreement.

In the event that a party to this Agreement believes that another party has, by act or omission, committed a material breach of this Agreement, the provisions of this Article shall provide the remedies for such default.

Section 7.02 Notice of Developer's Default.

- (a) The City shall notify the Developer in writing of an alleged failure by the Developer to comply with a provision of this Agreement, which notice shall specify the alleged failure with reasonable particularity. The alleged defaulting Developer shall, within thirty (30) days after receipt of such notice or such longer period of time as the City may specify in such notice, either cure such alleged failure or, in a written response to the City, either present facts and arguments in refutation or excuse of such alleged failure or state that such alleged failure will be cured and set forth the method and time schedule for accomplishing such cure.

- (b) The City shall determine (i) whether a failure to comply with a provision has occurred; (ii) whether such failure is excusable; and (iii) whether such failure has been cured or will be cured by the alleged defaulting Developer. The alleged defaulting Developer shall make available to the City, if requested, any records, documents or other information necessary to make the determination.
- (c) In the event that the City determines that such failure has not occurred, or that such failure either has been or will be cured in a manner and in accordance with a schedule reasonably satisfactory to the City, or that such failure is excusable, such determination shall conclude the investigation.
- (d) If the City determines that a failure to comply with a provision has occurred and that such failure is not excusable and has not been or will not be cured by the alleged defaulting Developer in a manner and in accordance with a schedule reasonably satisfactory to the City, then the City Council may proceed to mediation under the Agreement and subsequently exercise any other remedy.

Section 7.03 Notice of City's Default.

- (a) The Developer shall notify the City in writing of an alleged failure by the City to comply with a provision of this Agreement, which notice shall specify the alleged failure with reasonable particularity. The City shall, within thirty (30) days after receipt of such notice or such longer period of time as the Developer may specify in such notice, either cure such alleged failure or, in a written response to the Developer, either present facts and arguments in refutation or excuse of such alleged failure or state that such alleged failure will be cured and set forth the method and time schedule for accomplishing such cure.
- (b) The Developer shall determine (i) whether a failure to comply with a provision has occurred; (ii) whether such failure is excusable; and (iii) whether such failure has been cured or will be cured by the City. The City shall make available to the Developer, if requested, any records, documents or other information necessary to make the determination.
- (c) In the event that the Developer determines that such failure has not occurred or that such failure either has been or will be cured in a manner and in accordance with a schedule reasonably satisfactory to the Developer, or that such failure is excusable, such determination shall conclude the investigation.
- (d) If the Developer determines that a failure to comply with a provision has occurred and that such failure is not excusable and has not been or will not be cured by the City in a manner and in accordance with a schedule reasonably satisfactory to the Developer, then the Developer may proceed to mediation under this Agreement and subsequently exercise the applicable remedy.

Section 7.04 Mediation. In the event the parties to this Agreement cannot, within a reasonable time, resolve their dispute pursuant to the procedures described in this Agreement, the parties agree prior to the filing of any legal action to submit the disputed issue to non-binding mediation. The parties shall participate in good faith, but in no event shall they be obligated to pursue mediation that does not resolve the issue within seven (7) days after the mediation is initiated or thirty

(30) days after mediation is requested. The parties participating in the mediation shall share the costs of the mediation equally.

Section 7.05 Remedies.

City's Remedies.

With respect to the occurrence of an Event of Default the City may pursue the following remedies:

The City may pursue any legal or equitable remedy or remedies, including, without limitation, specific performance, damages, and termination of this Agreement. The City shall not terminate this Agreement unless it delivers to the Developer a second notice expressly providing that the City will terminate within thirty (30) additional days. Termination or non-termination of this Agreement upon a Developer Event of Default shall not prevent the City from suing the Developer for specific performance, damages, actual damages, excluding punitive, special and consequential damages, injunctive relief or other available remedies with respect to obligations that expressly survive termination. In the event the Developer fails to pay any of the expenses or amounts or perform any obligation specified in this Agreement, then to the extent such failure constitutes an Event of Default hereunder, the City may, but shall not be obligated to do so, pay any such amount or perform any such obligations and the amount so paid and the reasonable out of pocket costs incurred by the City in said performance shall be due and payable by the Developer to the City within thirty (30) days after the Developer's receipt of an itemized list of such costs.

No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder now or hereafter existing at law or in equity.

The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

Developer's Remedies.

Upon the occurrence of any Event of Default by the City, the Developer may pursue any legal remedy or remedies specifically including damages as set forth below, and termination of this Agreement; provided, however, that the Developer shall have no right to terminate this Agreement unless the Developer delivers to the City a second notice which expressly provides that the Developer will terminate within thirty (30) days if the default is not addressed as herein provided.

No remedy herein conferred or reserved is intended to be inclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder now or hereafter existing.

The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

- (a) In the event of a determination by the City that the Developer has committed a material breach of this Agreement that is not resolved in mediation, the City may, subject to the provisions of this Agreement, file suit in a court of competent

jurisdiction in Brazoria County, Texas, and seek any relief available at law or in equity, including, but not limited to, an action under the Uniform Declaratory Judgment Act and or termination of this Agreement as to the breaching Developer.

- (b) In the event of a determination by a Developer that the City has committed a material breach of this Agreement that is not resolved in mediation, the Developer may file suit in a court of competent jurisdiction in Brazoria County, Texas, and seek any relief available, at law or in equity, including, but not limited to, an action under the Uniform Declaratory Judgment Act to enforce compliance with or termination of this Agreement.

ARTICLE VIII BINDING AGREEMENT, TERM, AMENDMENT, AND ASSIGNMENT

Section 8.01 Beneficiaries. This Agreement shall bind and inure to the benefit of the City and the Developer, their successors and assigns. In addition to the City and the Developer, and its respective successors or assigns, shall also be deemed beneficiaries to this Agreement. The terms of this Agreement shall constitute covenants running with the land comprising the Tract and shall be binding on all future developers and owners of any portion of the Tract, other than Ultimate Consumers. Notwithstanding the foregoing statement, an Ultimate Consumer shall be bound by the Developer's submittal of the annexation petition required by Article V, to the extent allowed by law, and shall be bound by the Developer's waiver of rights described in Section 6.01. The District and any business entity that is constructing improvements within the District are third-party beneficiaries of this Agreement.

Section 8.02 Term. This Agreement shall bind the parties and continue for thirty (30) years from the Effective Date of this Agreement (the "Initial Term"), unless terminated on an earlier date pursuant to other provisions or by express written agreement executed by the City and Developer. Upon the expiration of the Initial Term, this Agreement may be extended, at the Developer's request and with City Council approval, for successive one-year periods up to a maximum total term of forty-five (45) years. The provisions of Articles II and III of this Agreement are intended to survive the termination of this Agreement.

Section 8.03 Termination. In the event this Agreement is terminated as provided in this Agreement or is terminated pursuant to other provisions, or is terminated by mutual agreement of the parties, the parties shall promptly execute and file of record, in the County Clerk Official Records of Brazoria County, a document confirming the termination of this Agreement, and such other documents as may be appropriate to reflect the basis upon which such termination occurred.

(a) **Section 8.04 Assignment or Sale.** If the Developer proposes to sell substantially all of the Tract, or all of the Tract owned at such time by the Developer, the Developer shall provide notice of such sale to the City, within 30 days after the effective date of any such sale, assignment, transfer, or other conveyance, the Developer must provide written notice of same to the City;

(b) the notice must describe the extent to which any rights or benefits under this Agreement have been sold, assigned, transferred, or otherwise conveyed;

(c) the notice must state the name, mailing address, and telephone contact information of the person(s) acquiring any rights or benefits as a result of any such sale, assignment, transfer, or other conveyance;

(d) the notice must be signed by a duly authorized person representing the Developer and a duly authorized representative of the person that will acquire any rights or benefits as a result of the sale, assignment transfer or other conveyance.

. Any person who acquires the Tract or any portion of the Tract, except for an Ultimate Consumer shall take the Tract subject to the terms of this Agreement. The terms of this Agreement are binding upon Developer, its successors and assigns, as provided in Section 8.01 above. Provided, however, the Developer's assignee shall not acquire the rights and obligations of the Developer unless the Developer and assignee enter into a written assignment agreement in the form attached as **Exhibit K**. Developer shall notify any purchaser of the Tract or any portion thereof of this Agreement and its application to the development of the Tract.

Section 8.05 Transfer of Control of Developer. As set forth in Section 8.04, the Developer shall promptly notify the City of any substantial change in ownership or control of that Developer. As used herein, the words "substantial change in ownership or control" shall mean a change of more than 49% of the stock or equitable ownership of a Developer. Developer shall notify any purchaser of the Tract or any portion thereof of this Agreement and its application to the development of the Tract.

Section 9.10 Authority for Execution. The City hereby certifies, represents, and warrants that the execution of this Agreement is duly authorized and adopted in conformity with the City Charter, City ordinances and the laws of the State of Texas. The Developer hereby certifies, represents, and warrants that the execution of this Agreement is duly authorized and adopted in conformity with the articles of incorporation and bylaws or partnership agreements of such entities.

Representations of City

- (i) This Agreement has been, and the documents contemplated hereby will be, duly executed and delivered by the City and constitute legal, valid and binding obligations enforceable against the City in accordance with the terms subject to principles of governmental immunity and the enforcement of equitable rights. The consummation by the City of the transactions contemplated hereby is not in violation of or in conflict with, nor does it constitute a default under, any of the terms of any agreement or instrument to which the City is a Party, or by which the City is bound, or of any provision of any Applicable Law, ordinance, rule or regulation of any governmental authority or of any provision of any applicable order, judgment or decree of any court, arbitrator or governmental authority.

Representations of Developer

The Developer makes the following representations, warranties and covenants for the benefit of the City:

- (ii) Due Organization and Ownership. The Developer is a Texas Limited Liability Company validly existing under the laws of the State of Texas and is duly qualified to do business in the State of Texas; and that the person executing this Agreement on behalf of it is authorized to enter into this Agreement.
- (iii) Due Authority: No Conflict. The Developer has all requisite power and authority to execute and deliver this Agreement and to carry out its obligations hereunder and the transactions contemplated hereby. This Agreement has been, and the documents contemplated hereby will be, duly executed and delivered by the Developer and constitute the Developer's legal, valid and binding obligations enforceable against the Developer in accordance with their terms. The consummation by the Developer of the transactions contemplated

hereby is not in violation of or in conflict with, nor does it constitute a default under, any term or provision of the organizational documents of the Developer, or any of the terms of any agreement or instrument to which the Developer is a Party, or by which the Developer is bound, or of any provision of any Applicable Law, ordinance, rule or regulation of any governmental authority or of any provision of any applicable order, judgment or decree of any court, arbitrator or governmental authority.

- (iv) Consents. No consent, approval, order or authorization of, or declaration or filing with any governmental authority is required on the part of the Developer in connection with the execution and delivery of this Agreement or for the performance of the transactions herein contemplated by the respective Parties hereto.
- (v) Litigation/Proceedings. To the best knowledge of the Developer, after reasonable inquiry, there are no pending or, to the best knowledge of the Developer, threatened, judicial, municipal or administrative proceedings, consent decree or, judgments which might affect the Developer's ability to consummate the transaction contemplated hereby, nor is there a preliminary or permanent injunction or other order, decree, or ruling issued by a governmental entity, and there is no statute, rule, regulation, or executive order promulgated or enacted by a governmental entity, that is in effect which restrains, enjoins, prohibits, or otherwise makes illegal the consummation of the transactions contemplated by this Agreement.
- (vi) Legal Proceedings. There is no action, proceeding, inquiry or investigation, at law or in equity, before any court, arbitrator, governmental or other board or official, pending or, to the knowledge of the Developer, threatened against or affecting the Developer, any of the principals of the Developer and any key person or their respective Affiliates and representatives which the outcome of which would (a) adversely affect the validity or enforceability of, or the authority or ability of the Developer under, this Agreement to perform its obligations under this Agreement, or (b) have a material and adverse effect on the consolidated financial condition or results of operations of the Developer or on the ability of the Developer to conduct its business as presently conducted or as proposed or contemplated to be conducted.

The City and Developer both represent that they have the authority to enter into this Agreement and to perform the obligations of the respective Parties.

Section 9.11 Anti-Boycott Verifications. The Developer and Landowner hereby verifies that they and their parent companies, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent this Agreement is a contract for goods or services, will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to comply with Section 2270.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, 'boycott Israel' means refusing to deal with, terminating business activities with, or otherwise taking any

action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Developer and Landowner understand ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the Developer or Landowner and exists to make a profit.

Section 9.12 Iran, Sudan, and Foreign Terrorist Organizations. The Developer and Landowner represent that neither it nor any of its parent companies, wholly-or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer’s internet website:

<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>;
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

or

The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Developer and each of its parent companies, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Developer and Landowner understand “affiliate” to mean any entity that controls, is controlled by, or is under common control with the Developer and Landowner and exists to make a profit.
