

## INDUSTRIAL DISTRICT AGREEMENT

### **NORTH 288-B INDUSTRIAL DISTRICT OF ANGLETON, TEXAS**

This Industrial District Agreement (the "Agreement") is entered between the CITY OF ANGLETON, TEXAS, a municipal corporation, and home-rule city in Brazoria County, Texas, ("City"), and RULICA/ANGLETON, LLC, a Texas Limited Liability Corporation with a place of business located at 11823 Wilcrest Drive, Houston, Angleton, Texas, 77031, designated as "Company".

WHEREAS, it is the established policy of City to adopt such reasonable measures from time-to-time as are permitted by law, to endeavor to attract industry and expand its growth and thereby enhance the economic stability and growth of the City; and

WHEREAS, on January 9, 1995, pursuant to such policy, City enacted Ordinance No. 2342 designating the lands described therein as the NORTH 288-B INDUSTRIAL DISTRICT of the City of Angleton, Texas ("NID"), in accordance with Texas Local Government Code, Section 42.044; formerly Article 970a, Section 5, Vernon's Annotated Texas Civil Statutes, and;

WHEREAS, Company owns land within the exclusive extraterritorial jurisdiction of the City of Angleton, within the NID, said land described on Exhibit "A" ("Land"), attached, and incorporated by reference; and

NOW, THEREFORE, in consideration of the premises and the mutual agreements of the parties contained herein, and pursuant to the authority granted to City under Section 42.044, Texas Local Government Code, City and Company hereby agree as follows:

#### **Article I.**

#### COMPANY'S OBLIGATIONS

**A. Annual Payment.** Commencing with the calendar year 2022, and each calendar year thereafter for the duration of this Agreement, the Company will pay the City a certain sum which will be computed on the assessed value of the Company's facilities and property, real, personal, and mixed located on Company's land covered by this Agreement. Company shall pay to City an amount which totals "in lieu of" taxes on Company's Property as of January 1st of the prior calendar year ("value year"). Said payments made "in lieu of" taxes under this Agreement shall be made in two (2) equal installments, the first being due on or before January 15, 2022, and the second being due on or before July 15, 2022, with the remaining payments due on or before January 15th and July 15th of each year thereafter, through and including the year 2026.

B. For purposes of this agreement "value year exemptions" means exemptions granted to Company by Brazoria County, Texas, for its taxing purposes. The parties agree the appraised value for tax purposes of property lying within the corporate limits of the City, shall be determined by the Brazoria County Appraisal District ("BCAD").

C. The "in lieu of" taxes payable by Company will be calculated by first ascertaining the final Brazoria County Appraisal District ("BCAD") appraisal value after all appeals, protests, suits, if any, by the Company of the Property (Property is defined as land, improvements, and tangible personal property of every description, including without limitation, inventory, oil, gas, and mineral interests, items of leased equipment, pipelines, and products in storage located on the land.) on January 1st of each value year less value year exemptions and applying the following formulas:

1. Payment of eighty per cent (80%) regardless of taxable value of the ad valorem taxes which would be payable to the City if all the Property which existed on January 1st of value year had been within the corporate limits of City and appraised at market value by BCAD.
2. There shall be no "in lieu of" payments during the term of this Agreement on new construction commenced after the date of this Agreement. The purpose of this section is to provide an incentive for new construction.

For the purposes of this section, "new construction" contemplates new improvements to realty and new construction and expansion of existing facilities which constitutes an integral, permanent part of the plant, buildings, structures, and facilities of Company. Purchases or acquisitions by Company of existing real or personal properties are excluded.

The new construction incentive provisions of this section terminate at the expiration of this Agreement regardless of the status year of any new construction.

D. Any such amounts not paid when due shall become delinquent on January 16th and July 16th, respectively, of that year, and will be subject to the same provisions for interest, penalty and attorney's fees as are applicable to delinquent ad valorem taxes on lands within the City limits.

## **ARTICLE II**

### **CITY'S OBLIGATIONS**

A. City and Company agree that during the term of this Agreement, the Land shall be designated as located in the NID within the exclusive extraterritorial jurisdiction. City agrees that it will not annex, attempt to annex or in any way cause or permit to be annexed any portion of the Land for the period of the Agreement.

B. Company and the Land already have City water and sewer services but shall have no right to any other City services; provided however City agrees to furnish fire protection to Company should such protection be requested by Company in the event an unusual emergency situation occurs. The City shall not extend, by ordinance, to the Company, its Land, and any property of Company situated on said Land any rules and regulations (a) governing plats and subdivisions of land, (b) prescribing any building, electrical, plumbing or inspection code or codes, or (c) attempting to exercise in any manner whatever control over the conduct of Company's business. The Parties agree that City shall have the right to institute or intervene in any judicial or

administrative proceeding authorized by: the Texas Water Code; the Texas Clean Air Act, Chapter 382, Health & Safety Code; and the Texas Solid Waste Disposal Act, Chapter 361, Health & Safety Code.

C. Company shall pay such amount to City or before January 15 and July 15 of each year as set forth in Art. II, Section A of this Agreement. Upon receiving the annual payment due, the Finance Officer of the City shall issue an official receipt of the City acknowledging full, timely, final, and complete payment due for the property involved in this Agreement for the year for which such payment is made. If payment is not made on or before any due date, City shall be entitled to a tax lien on Company's Property in payment of "in lieu of taxes" required in this Agreement the same penalties, interest, attorneys' fees, and costs of collection shall be recoverable by the City as would be collectible in the case of delinquent ad valorem taxes.

### **ARTICLE III.**

#### **COVENANTS**

A. The parties hereby agree that for the purposes of this Agreement, all appraisal values will be those determined to be the final appraised values by the BCAD after all appeals, protests, suits, if any, by the Company for property owned by the Company and subject to this Agreement. The parties recognize that in making such appraisal for "in lieu of taxes" as described Article I. Paragraph C, of this agreement; such appraiser must, if necessary, appraise the entire Land, and the improvements and tangible personal property of Company located thereon.

B. Term. This Agreement shall extend for a five (5) year period, beginning on January 1, 2022, and ending on December 31, 2026, unless extended for an additional period or periods of time upon mutual consent of Company and City as provided by the Texas Local Government Code. Any extension of this Agreement shall be negotiated six (6) months prior to the expiration of this Agreement. Provided, however, in the event this Agreement is not so extended for an additional period or periods of time the covenant of City not to annex the Land shall terminate, and City shall have the right to commence annexation proceedings as to all of Company's Land and Property covered by this Agreement. Provided, however, that nothing herein contained shall be deemed to obligate either party to agree to an extension of this Agreement.

D. This Agreement shall inure to the benefit of and be binding upon City and Company, and upon Company's successors and assigns, affiliates, and subsidiaries, and shall remain in force

whether Company sells, assigns, or in any other manner disposes of, either voluntarily or by operation of law, all or any part of the Property, and the agreements herein contained shall be held to be covenants running with the Land for so long as this Agreement or any extension thereof remains in force. Company shall notify City of any sale of any or all of Company's property to any person or entity if the value of such property substantially affects the current assessed value of the property as set forth by the Brazoria County Appraisal District. It is the intent of the parties that no sale of any of Company's Property will affect the amount to be paid to the City under this Agreement.

E. In the event any one or more words, phrases, clauses, sentences, paragraphs, sections or other parts of this Agreement or the application thereof to any person, firm, corporation or circumstances shall be held by any court of competent jurisdiction to be invalid or unconstitutional for any reason, then the application, invalidity or unconstitutionality of such words, phrases, clauses, sentences, paragraphs, sections, or other parts of this Agreement shall be deemed to be independent of and separable from the remainder of this Agreement, and the validity of the remaining parts of this Agreement shall not be affected thereby.
