**EXECUTIVE SUMMARY.** This is a request for approval of the Ashland Project Street Dedication #3 Preliminary Plat (Attachment 1). The subject property is located within the City of Angleton ETJ between SH 521 and SH 288 and north of SH 523. The development agreement is still pending, which will establish standards for the Ashland Project as well as Park Dedication requirements.

City Engineer comments are provided in Attachment 2. Pursuant to Section II County Regulatory Authority of the existing interlocal agreement between the City of Angleton and Brazoria County, the County shall have exclusive jurisdiction in the following matters: Subsection (b): Regulate the construction of any and all roads located within a subdivision of property that will be located within the City's ETJ, including but not limited to, planning, review, construction, bonding, inspection and acceptance of any newly constructed road or street. County authority shall also apply to the improvement, removal, relocation, or abandonment of any existing road or streets in City's ETJ. County's oversight of roads shall be performed using the most current and applicable construction standards adopted by County. For roads, the construction of which are governed by a development agreement between City and developer, County and City shall jointly coordinate and cross-reference construction standards to verify that the roads are constructed to meet or exceed County standards.

At the time of preparation of this agenda summary, no response to comments had been received; However, Staff will inform the Commission of any and all cleared comments before taking action.

**Recommendation.** The planning and zoning commission as asked to approve this plat application conditioned on Staff/Engineer's comments with the assumption that the details of this project can be ironed out possibly through the execution of a development agreement and recommend it to City Council for final action.
