Re: On-Going Services  
Windrose Green Section 4 Final Plat – 1<sup>st</sup> Submittal Review  
Angleton, Texas  
HDR Job No. 10420700

Dear Mr. Spriggs:

HDR Engineering, Inc. (HDR) has reviewed the plat for the above referenced subdivision and offers the following comments:

Sheet 1 of 3

1. Has all required easements from TNMP been coordinated for electric distribution?
2. Per metes and bounds, the POB is located near start of line L3. Verify and update.
3. Recommend distinguishing the reserves outside of the subdivision with a different linetype such as that done with the blocks.
4. Please clarify this area/linetype near Lot 1, Blk 3. Move text as needed and provide WLE file #.

Sheet 2 of 3

1. Provide the following on the plat: A "typical interior lot" and "corner lot" detail showing all setbacks and the building envelope.

Sheet 3 of 3

1. Include the certificate noted for the proposed drainage easements shown on the plat.

The proposed plat is incomplete. We are unable to complete the review until the recommended corrections/changes are made and the additional information requested is submitted. HDR recommends that the Windrose Green Section 4 Final Plat Revised and Resubmitted.

If you have any questions, please feel free to contact us at our office (713)-622-9264.

Sincerely,

HDR Engineering, Inc.
