PREPARED BY: Megan Mainer, Director of Parks & Recreation

AGENDA CONTENT: Discussion and possible action to approve the proposal from Vortex Aquatic Structures International for aquatic component structures, material transport, and installation services at the Angleton Recreation Center and authorize the City Manager to execute the agreement.

AGENDA ITEM SECTION: Regular Agenda

BUDGETED AMOUNT: \$500,000.00 **FUNDS REQUESTED:** \$205,736.74

FUND: 40-506-625.40 (\$107,416.74) and 40-506-520 (\$98,320.00)

EXECUTIVE SUMMARY:

On January 9, 2024, the Angleton Better Living Corporation (ABLC) approved the replacement of natatorium components for the Angleton Recreation Center for \$200,828.61 with Vortex Aquatic Structures International. Staff requested customized panels on the Playnuk aquatic component, resulting in an additional charge of under \$5000.00.

On June 17, 2024, ABLC authorized an expenditure of \$98,320.00 from ABLC Contingency (40-506-520) for Angleton Recreation Center natatorium component materials to allow the \$500,000 allocated for Angleton Recreation Center improvement funds from the 2024 ABLC Bond to go towards a 50% matching Local Parks Non-Urban Indoor Recreation grant offered by the Texas Parks & Wildlife Department (TPWD).

The Parks & Recreation Department (PARD) staff worked with Vortex Aquatic Structures International and Randle Law Office (RLO) to develop a service agreement for City Council approval. Enclosed are the quote, service agreement, and renderings of the aquatic components.

RECOMMENDATION:

Staff recommends the Angleton Better Living Corporation approve the proposal from Vortex Aquatic Structures International for aquatic component structures, material transport, and installation services at the Angleton Recreation Center and authorize the City Manager to execute the agreement.
