## EXECUTIVE SUMMARY:

Laura Green, who has recently been diagnosed with a critical medical condition and can no longer live independently and has been residing in an RV placed on her daughter's property at 202 S. Walker, to provide her with immediate and essential care for the anticipated duration of six months to one year. This arrangement is the only way to accommodate her critical needs while providing a measure of comfort and personal space during this difficult time.

Given the extreme and unforeseen financial and emotional hardship placed upon the family due to this medical emergency, she is respectfully asking the City Council to grant for a waiver for the standard SUP application fee.

She is fully prepared to comply with all conditions the City may impose regarding the placement and maintenance of the RV to ensure neighborhood safety and aesthetics.

I understand that the City Council holds the sole authority to grant such a waiver, and I sincerely appreciate your consideration of my family's unique and urgent circumstances. Thank you for your time and understanding. I am available to provide any further information or documentation that may be required, including medical verification.

**Recommendation:** The City Council should consent to the boundary change petition.
