### **ELECTION DAY (increase 2023)**

For Election Day, we will calculate the cost for each location (see Exhibit ‘A2”) the total cost for Election Day will then calculated per percentage of registered voters of each political subdivision. All political subdivisions in Brazoria County less than 1000 registered voters, charges will be the minimum of \$2000.00 for Election Day.

### **EARLY VOTING (increase 2023)**

For Early Voting we also calculate worksheets for each of the 10-11 early voting locations. Once we have the total cost for all locations, we do a spreadsheet that divides the cost between all political subdivisions based on the percentage of registered voters in each. Since we have large and small cities in our county, the minimum charge for early voting will be \$2000.00.

### **OVERTIME**

We keep a record of our overtime for the May Elections and the staff gets paid overtime. Since we charge for programming and tabulations that money goes towards the employee’s overtime. If we have more overtime than covered by a calculated programming and tabulation fees, we will add in the additional overtime when sending the final bills.

## **NOVEMBER (COUNTYWIDE JOINT)**

For November Elections, the Election Day and Early voting charges are just like the countywide joint in May. If the only political subdivisions at a location are Brazoria County and one entity, total cost calculated will be per percentage of registered voters for the entity.

Runoffs Elections will be the responsibility of whichever entity will be conducting a runoff election.

Any errors or changes related to a Political Subdivision oversight and if it results in reprogramming the entirety election, will be responsible for all associated cost.
