EXECUTIVE SUMMARY: *Matthew T. Peter, on behalf of the Thottiyil Group LLC*, a Texas Limited Liability Company is requesting consideration of an annexation and the assigning of aa Commercial- General (C-G) Zoning to District to an approximately 5.234 acres tract, within the Angleton ETJ into the City Limits, for property located at the Northwest intersection of Farm to Market (FM523) and State Highway 288 (SH288) southbound off-ramp, and as listed by Brazoria County Appraisal District, P.I.D No. 600368.

The applicants participated in a Pre-Development meeting in April of 2026 and were introduced to the development requirements for the subject 5.234 acre site, which lies within the 288 Industrial Agreement Impact Fee Zone. This application and petition is subject to a required Service Agreement, Ordinance consideration of the Annexation and Zoning of the tract, as well as coordination with other referral agencies such as TxDOT and the Angleton Drainage District.

The applicants are proposing to develop a 5,400 S.F. Convenience Gas Station with 42 parking spaces, 12 gas pumps (6 for cars/6 for Commercial Trucks).

The necessary exhibits are attached for your review and consideration, including the Survey Plat, Legal Description, Vicinity Map, and Site Development Plan. The layout demonstrates two (2) access points- one driveway off SH35 Bypass, and one off of service road adjacent and parallel of SH288 southbound off ramp.

The City ordinances require sidewalks to be installed along all frontages; however, any variance requests require approval by the City Council, taking into account any established hardship(s).

Sec. 28-6. Zoning upon annexation.

- (a) As soon as practical following annexation, but in no event more than 180 calendar days thereafter, the city council shall, on its own motion or upon application by property owners of the annexed area, initiate proceedings to establish appropriate zoning on the newly annexed territory, thereupon the city manager shall commence public notification and other standard procedures for zoning amendments as set forth in section 28-24. Said proceedings to establish zoning may be undertaken concurrently with annexation procedures (i.e., notified at the same time, public hearings scheduled at the same time as annexation, etc.), however, zoning approval and formal adoption of the ordinance establishing zoning must occur after annexation approval and adoption have occurred, and as a separate and distinct action by the city council in this instance.

Planning and Zoning Commission

Note that the Planning and Zoning Commission met after the City Council Agenda posting on August 6, 2026 to hold the public hearing and receive input. Staff will update final record of proceedings and recommendation before the Council on August 11, 2026.
