REGULAR AGENDA

1. Minutes from Regular Called meeting on June 13, 2022.

Upon a motion by Member Roberts and seconded by Member Dannhaus, the Board approved the minutes from the Parks and Recreation Board meeting that was held on June 13, 2022. The motion passed with a 5-0 vote.

2. Discussion and possible action on Parks and Recreation Board roles and responsibilities.

Megan Mainer, Director of Parks and Recreation, provided a brief overview on recent discussions regarding roles and responsibilities of the Parks and Recreation Board and the Angleton Better Living Corporation. Megan informed the Board that City Council had directed staff to assess ways the boards could be restructured to increase efficiency and she provided a document created by Randle Law outlining various Board restructuring options. Chris Whittaker, City Manager, discussed the purpose for recent discussions with each Board and City Council, provided an overview of the history of the Parks and Recreation Board and Angleton Better Living Corporation, and outlined various scenarios in how the Parks and Recreation Board and the ABLC could operate moving forward.

The Board discussed how updating Parks and Recreation Board responsibilities could increase efficiencies for staff and reduce redundancies between both Boards, the need

for Parks and Recreation Board to be involved more in long range planning and capital improvements, and the potential for the Parks and Recreation Board to be responsible for only policy support. Chris Whittaker proposed Parks and Recreation Board to serve as a sub-committee of ABLC and how those changes could work to better align the purpose of each Board. It was requested that the Parks and Recreation Board continue thinking about ideas and provide any additional input to the Director or Parks and Recreation in the next few weeks.
