Play Value Planning

Aquatic play may feel spontaneous, but it actually requires lots of planning. We design every play experience to keep families engaged, boost dwell times, and increase return visits.

To build lasting memories among moms, dads, and little ones of all abilities, we carefully consider how to integrate products that cater to everything from the location’s footprint and capacity to its demographics and theming objectives.

Sensory
Stimulates & develops multiple sense experiences

Spray
Encourages teamwork & competition

Tactile
Promotes discovery of water textures

Iconic
Features interactive fun & serves as a social gathering place

Circuit
Encourages physical development

Flow
Develops discovery & learning

Kinetic
Features interactive fun & encourages movement

Misty
Cloud-like experience gives refreshing thrills
