EXECUTIVE SUMMARY:

The Office of Emergency Management has four grants submitted to the Texas Division of Emergency Management (TDEM) and FEMA. Each grant is in varying stages of verification and approval. Two of the four grants are in the last approval phase with FEMA and TDEM. We are bringing these grants to the council due to the need for a commitment letter of matching funds and the potential for the needed funds in this budget year for the Angleton Recreation Center Generator.

RECOMMENDATION:

That council sign a commitment of match letter for Grant # 4586 Portable Generator for Water Plant, Grant # 4705 Storm Water Pump Generator, Grant # 4705-1 Lift Station #8 Generator and approve funding for Grant # 4485 Generator for Angleton Recreation Center in the amount of \$11,693.11.
