INTRODUCTION

Capitalized terms used in this Service and Assessment Plan shall have the meanings given to them in **Section I** unless otherwise defined in this Service and Assessment Plan or unless the context in which a term is used clearly requires a different meaning. Unless otherwise defined, a reference to a “Section”, “Exhibit” or an “Appendix” shall be a reference to a Section of this Service and Assessment Plan or an Exhibit or Appendix attached to and made a part of this Service and Assessment Plan for all purposes.

On October 24, 2023, the City passed and approved Resolution No. 20231024-010 authorizing the establishment of the District in accordance with the PID Act, which authorization was effective upon publication as required by the PID Act. The purpose of the District is to finance the Actual Costs of Authorized Improvements that confer a special benefit on approximately 35.608 acres located within the City, as described by the legal description on **Exhibit J** and depicted on **Exhibit A**.

The PID Act requires a Service Plan covering a period of at least five years and defining the annual indebtedness and projected cost of the Authorized Improvements and including a copy of the notice form required by Section 5.014 of the Texas Property Code, as amended. The Service Plan is contained in **Section IV**.

The PID Act requires that the Service Plan include an assessment plan that assesses the Actual Costs of the Authorized Improvements against Assessed Property within the District based on the special benefits conferred on such property by the Authorized Improvements. The Assessment Plan is contained in **Section V**.

The PID Act requires an Assessment Roll that states the Assessment against each Parcel determined by the method chosen by the City. The Assessment against each Assessed Property must be sufficient to pay the share of the Actual Costs apportioned to the Assessed Property and cannot exceed the special benefit conferred on the Assessed Property by the Authorized Improvements. The Assessment Roll is contained in **Exhibit G-1**.

SECTION IV: SERVICE PLAN

The Service Plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Service Plan is also required to include a copy of the buyer disclosure notice form required by Section 5.014 of the Texas Property Code, as amended. The Service Plan must be reviewed and updated in each Annual Service Plan Update. **Exhibit C** summarizes the initial Service Plan for the District. The buyer disclosures are attached hereto as **Appendix B**.

Exhibit D summarizes the sources and uses of funds required to construct the Authorized Improvements. The sources and uses of funds shown on **Exhibit D** shall be updated in an Annual Service Plan Update to show any budget revisions and the amount required to fund the required reserves and issue any PID Bonds at the time the PID Bonds are issued.

SECTION V: ASSESSMENT PLAN

The PID Act allows the City Council to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City Council, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City Council that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the City Council may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the City and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this Service and Assessment Plan describes the special benefit received by each Parcel within the District as a result of the Authorized Improvements and provides the basis and justification for the determination that this special benefit equals or exceeds the amount of the Assessments to be levied on the Assessed Property for such Authorized Improvements.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Owner and all future owners of the Assessed Property.

A. Assessment Methodology

Acting in its legislative capacity and based on information provided by the Owner and its engineer and reviewed by the City staff and by third-party consultants retained by the City, the City Council has determined that the costs of the Authorized Projects shall be allocated entirely to the Initial Parcel. Upon subdivision of an Assessed Property, the Actual Costs of the Authorized Projects, Bond Issuance Costs relating to the PID Bonds, if issued, District Formation Expenses, and First Year Annual Collection Costs, shall be reallocated based on Estimated Buildout Value as further described in **Section VI**.

The costs of the Authorized Projects shall be allocated to each Parcel within the District based on the ratio of the Estimated Buildout Value of each Parcel designated as Assessed Property to the total Estimated Buildout Value of the District. Currently, the Initial Parcel is the only Parcel within the District, and as such, the Initial Parcel is allocated 100% of the costs of the Authorized Projects.

Assessments will be levied on the Initial Parcel in the amount shown on the Assessment Roll, attached hereto as **Exhibit G-1**. The projected Annual Installments are shown on **Exhibit G-2**. Upon division or subdivision of the Initial Parcel, the Assessments will be reallocated pursuant to **Section VI**.

The Maximum Assessment for each Lot Type is shown on **Exhibit E**. In no case will the Assessment for Lots classified as Lot Type 1 or Lot Type 2, respectively, exceed the corresponding Maximum Assessment for each Lot Type classification.

B. Findings of Special Benefit

Acting in its legislative capacity and based on information provided by the Owner and its engineer and reviewed by City staff and by third-party consultants retained by the City, the City Council has found and determined the following:

- The costs of the Authorized Projects equal \$5,730,454 as shown on **Exhibit B**;
- The Assessed Property receives special benefit from the Authorized Projects equal to or greater than the Actual Cost of the Authorized Projects;
- The Initial Parcel will be allocated 100% of the Assessment levied for the Authorized Projects, which equals \$5,139,000 as shown on the Assessment Roll attached hereto as **Exhibit G-1**;
- The special benefit (\$5,730,454) received by the Initial Parcel from the Authorized Projects is equal to or greater than the amount of the Assessment (\$5,139,000) levied on the Initial Parcel for the Authorized Projects; and

- At the time the City Council approved this Service and Assessment Plan, the Owner owned 100% of the Initial Parcel. The Owner acknowledged that the Authorized Projects confer a special benefit on the Initial Parcel and consented to the imposition of the Assessment to pay for the Actual Costs associated therewith. The Owner ratified, confirmed, accepted, agreed to, and approved: (1) the determinations and findings by the City Council as to the special benefits described herein and the applicable Assessment Ordinance; (2) the Service and Assessment Plan and the applicable Assessment Ordinance; and (3) the levying of the Assessment on the Initial Parcel.

C. Annual Collection Costs

The Annual Collection Costs shall be paid for annually by the owner of each Parcel pro rata based on the ratio of the amount of outstanding Assessment remaining on the Parcel to the total outstanding Assessment. The Annual Collection Costs shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

D. Additional Interest

The interest rate on Assessments securing each respective series of PID Bonds, if issued, may exceed the interest rate on each respective series of PID Bonds by the Additional Interest Rate. To the extent required by any Indenture, Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the applicable Indenture.

The interest on the Assessment securing the Reimbursement Obligation shall be set at a rate of 6.00% pursuant to the PID Act. The PID Act requires the rate set on unpaid amounts due under a Reimbursement Agreement may not exceed five percent above the highest average index rate for tax-exempt bonds for a period of not more than five years and may not exceed two percent above the same index rate for the following two-year period. The index rate utilized to set the rate on the Reimbursement Obligation is the S&P Municipal Bond High Yield Index, which rate is 5.72% as of January 31, 2023. The rate set by this Service and Assessment Plan of 6.00% for the seven-year period is less than 2% above the S&P Municipal Bond High Yield Index. Once PID Bonds are issued, the interest rate on the Assessments will equal the interest rate on the bonds plus additional interest. The Annual Installment pursuant to the Reimbursement Agreement will not include Additional Interest unless and until PID Bonds secured by the Assessment are issued.

E. TIRZ No. 2 Annual Credit Amount

The City Council, in accordance with the TIRZ No. 2 Agreement, has agreed to use a portion of TIRZ No. 2 Revenues generated from each Assessed Property to offset a portion of the principal and interest of such property's Assessment.

1. The principal and interest portion of the Annual Installment for an Assessed Property shall receive a TIRZ No. 2 Annual Credit Amount equal to the TIRZ No. 2 Revenue generated by the Assessed Property for the previous Tax Year (e.g. TIRZ No. 2 Revenue collected from the Assessed Property for Tax Year 2024 shall be applied as the TIRZ No. 2 Annual Credit Amount applicable to the Assessed Property's Annual Installment to be collected in Tax Year 2025), but in no event shall the TIRZ No. 2 Annual Credit Amount exceed the TIRZ No. 2 Maximum Annual Credit Amount shown in **Section V.F.2** as calculated on **Exhibit F** for each Assessed Property.
2. The TIRZ No. 2 Maximum Annual Credit Amount available to reduce the principal and interest portion of the Annual Installment for an Assessed Property is calculated for each Lot Type, as shown on **Exhibit E**. The TIRZ No. 2 Maximum Annual Credit Amount is calculated so that the average Annual Installment for each Lot Type minus the TIRZ No. 2 Maximum Annual Credit Amount for each Lot Type does not produce an equivalent tax rate for such Lot Type which exceeds the competitive, composite equivalent ad valorem tax rate (\$1.50 per \$100 of assessed value) taking into consideration the 2023 tax rates of all applicable overlapping taxing units and the equivalent tax rate of the Annual Installments based on assumed buildout values at the time Assessment Ordinance is approved. The resulting TIRZ No. 2 Maximum Annual Credit Amount for each Lot Type is shown below:

1.	Lot Type 1:	\$402.00
2.	Lot Type 2:	\$424.00

3. After the TIRZ No. 2 Annual Credit Amount is applied to provide a credit towards the principal and interest portion of the Annual Installment for the Assessed Property, any excess TIRZ No. 2 Revenues available from the Riverwood Ranch North PID Account of the TIRZ No. 2 Fund shall be transferred to the City.

SECTION VI: TERMS OF THE ASSESSMENTS

Any reallocation of Assessments as described in this **Section VI** shall be considered an administrative action of the City and will not be subject to the notice or public hearing requirements under the PID Act.

A. Reallocation of Assessments

A. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of a subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all of the newly divided Assessed Properties

The calculation of the Assessment of an Assessed Property shall be performed by the Administrator and shall be based on the Estimated Buildout Value of that Assessed Property, as provided by the Owner, relying on information from homebuilders, market studies, appraisals, Official Public Records of the County, and any other relevant information regarding the Assessed Property. The Estimated Buildout Values for Lot Type 1 and Lot Type 2, within the District, are shown on **Exhibit E** and will not change in future Annual Service Plan Updates but **Exhibit E** may be updated in future Annual Service Plan Updates to account for additional Lot Types. The calculation as confirmed by the City Council shall be conclusive and binding.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

B. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with same Lot Type

D = the sum of the Estimated Buildout Value for all of the newly subdivided Lots excluding Non-Benefitted Property

E= the number of newly subdivided Lots with same Lot Type

Prior to the recording of a subdivision plat, the Owner shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat. The calculation of the Assessment for a Lot shall be performed by the Administrator and confirmed by the City Council based on Estimated Buildout Value information provided by the Owner, homebuilders, third party consultants, and/or the Official Public Records of the County regarding the Lot. The Estimated Buildout Values for Lot Type 1 and Lot Type 2 are shown on **Exhibit E** and will not change in future Annual Service Plan Updates. The calculation as confirmed by the City Council shall be conclusive and binding.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

C. Upon Consolidation

If two or more Lots or Parcels are consolidated into a single Lot or Parcel, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update immediately following such consolidation. The Assessment for any resulting Lot may not exceed the Maximum Assessment for the applicable Lot Type and compliance may require a mandatory Prepayment of Assessments pursuant to **Section VI.C**.

B. Mandatory Prepayment of Assessments

If an Assessed Property or a portion thereof is conveyed to a party that is exempt from payment of the Assessment under applicable law, or the owner causes a Lot, Parcel or portion thereof to become Non-Benefitted Property, the owner of such Lot, Parcel or portion thereof shall pay to the City, or cause to be paid to the City, the full amount of the Assessment, plus all Prepayment Costs and Delinquent Collection Costs for such Assessed Property, prior to any such conveyance or act, and no such conveyance shall be effective until the City receives such payment. Following

payment of the foregoing costs in full, the City shall provide the owner with a recordable “Notice of Assessment Termination,” a form of which is attached hereto as **Exhibit I**.

C. True-Up of Assessments if Maximum Assessment Exceeded at Plat

Prior to the City approving a final subdivision plat, the Administrator will verify that such plat will not result in the Assessment per Lot for any Lot Type to exceed the Maximum Assessment. If the Administrator determines that the resulting Assessment per Lot for any Lot Type will exceed the Maximum Assessment for that Lot Type, then (1) the Assessment applicable to such Lot Type shall be reduced to the Maximum Assessment, and (2) the person or entity filing the plat shall pay to the City or cause to be paid to the City the amount the Assessment was reduced, plus Prepayment Costs and Delinquent Collection Costs, if any, prior to the City approving the final plat. The City’s approval of a plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such amounts. At no time shall the aggregate Assessments for any Lot exceed the Maximum Assessment for such Lot.

D. Reduction of Assessments

If the Actual Costs of completed Authorized Improvements are less than the Assessments, then (i) in the event PID Bonds have not been issued for the purpose of financing Authorized Improvements affected by such reduction in Actual Costs, the City Council shall reduce each Assessment, and the TIRZ No. 2 Annual Credit Amount, applicable only to Lots within the District, on a pro rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equals the reduced Actual Costs that were expended, or (ii) in the event that PID Bonds have been issued for the purpose of financing Authorized Improvements affected by such reduction in Actual Costs, the Trustee shall apply amounts on deposit in the applicable account of the project fund created under the Indenture relating to such series of PID Bonds as directed by the City pursuant to the terms of such Indenture, and the TIRZ No. 2 Annual Credit Amount will be reduced by the same proportion as the Assessments. Such excess PID Bond proceeds shall be used as set forth in such Indenture. The Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The owner of any Assessed Property may, at any time, pay all or any part of an Assessment in accordance with the PID Act. Prepayment Costs, if any, may be paid from a reserve established under the applicable Indenture. If an Annual Installment has been billed, or the Annual Service

Plan Update has been approved by the City Council prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment on an Assessed Property is prepaid in full, with Prepayment Costs, (1) the Administrator shall cause the Assessment to be reduced to zero on said Assessed Property and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit such revised Assessment Roll to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate with respect to said Assessed Property; and (4) the City shall provide the owner with a recordable "Notice of PID Assessment Lien Termination.", a form of which is included as **Exhibit J**.

If an Assessment on an Assessed Property is prepaid in part: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit such revised Assessment Roll to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment will be reduced to the extent of the Prepayment made.

F. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit G-2** shows the estimated Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

Annual Installments are subject to adjustment in each Annual Service Plan Update. Until a plat has been recorded on a Parcel and a Property ID has been assigned by the Appraisal District the Annual Installment will be allocated to each Property ID within the District based on the Brazoria Central Appraisal District acreage for billing purposes only.

Prior to the recording of a final subdivision plat, if any Parcel shown on the Assessment Roll is assigned multiple tax parcel identification numbers for billing and collection purposes, the Annual Installment shall be allocated pro rata based on the acreage of the Parcel not including any Non-Benefitted Property, as shown by the Brazoria Central Appraisal District for each tax parcel identification number.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. The Annual Collection Costs for a given Assessment shall be paid by the owner of each Parcel pro rata based on the ratio of the amount of outstanding Assessment remaining on the Parcel to the total outstanding Assessment. Annual Installments shall be reduced by any credits applied under an applicable Indenture, such as capitalized interest,

interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes due and owing to the City. To the extent permitted by the PID Act or other applicable law, the City Council may provide for other means of collecting Annual Installments, but in no case shall the City take any action, or fail to take any action, that would cause it to be in default under any Indenture. Assessments shall have the lien priority specified in the PID Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay any of the remaining unpaid Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds, if issued, in accordance with applicable law, including the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments of the Assessments shall be due when billed and shall be delinquent if not paid prior to February 1, 2025.

Failure of an owner of an Assessed Property to receive an invoice for an Annual Installment shall not relieve said owner of the responsibility for payment of the Assessment. Assessments, or Annual Installments thereof, that are delinquent shall incur Delinquent Collection Costs.

G. Prepayment as a Result of an Eminent Domain Proceeding or Taking

Subject to applicable law, if any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a "**Taking**"), the portion of the Assessed Property that was taken or transferred (the "**Taken Property**") shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property) (the "**Remaining Property**") following the

reclassification of the Taken Property as Non-Benefitted Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner of the Remaining Property will remain liable to pay, pursuant to the terms of this Service and Assessment Plan, as updated, and the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if the Assessment that remains due on the Remaining Property exceeds the applicable Maximum Assessment, the owner of the Remaining Property will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed such Maximum Assessment, in which case the Assessment applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of Prepayment, with any remainder credited against the Assessment on the Remaining Property.

In all instances the Assessment remaining on the Remaining Property shall not exceed the applicable Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefitted Property and the remaining 90 acres constituting the Remaining Property shall be subject to the \$100 Assessment (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment, as applicable, on the Remaining Property by \$10, then the owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to \$90.

Notwithstanding the previous paragraphs in this subsection, if the owner of the Remaining Property notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the applicable Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. The owner will remain liable to pay the Assessment on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection, the Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds, if issued.

SECTION VII: ASSESSMENT ROLL

The Assessment Roll is attached as **Exhibit G-1**. The Administrator shall prepare and submit to the City Council for review and approval proposed revisions to the Assessment Roll and Installments for each Parcel as part of each Annual Service Plan Update.

SECTION VIII: ADDITIONAL PROVISIONS

A. Calculation Errors

If the owner of a Parcel claims that an error has been made in any calculation required by this Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner's sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council's approval of the calculation. Otherwise, the owner shall be deemed to have unconditionally approved and accepted the calculation. The Administrator shall provide a written response to the City Council and the owner not later than 30 days after receipt of such a written notice of error by the Administrator. The City Council shall consider the owner's notice of error and the Administrator's response at a public meeting, and, not later than 30 days after closing such meeting, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council shall take such corrective action as is authorized by the PID Act, this Service and Assessment Plan, the applicable Assessment Ordinance, the applicable Indenture, or as otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this Service and Assessment Plan may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this Service and Assessment Plan. Interpretations of this Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners of Assessed Property adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public meeting at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners of Assessed Property and developers and their successors and assigns.

D. Form of Buyer Disclosure; Filing in Real Property Records

Per Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosures are attached hereto in **Appendix B**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance approving this Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in the real property records of the County in its entirety.

E. Severability

If any provision of this Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.
