Re: On-Going Services  
Ashland Reserves Section 1 Preliminary Plat Review – 1<sup>st</sup> Submittal Review  
Angleton, Texas  
HDR Job No. 10420700

Dear Mr. Spriggs:

HDR Engineering, Inc. (HDR) has reviewed the plat for the above referenced subdivision and offers the following comments:

**Preliminary Plat**

Sheet 1 of 2

1. Update note to allow for access to each lot per Angleton LDC Sec. 23-12.
2. Include "Preliminary Plat" in the plat heading.

Sheet 2 of 2

1. Review plat for providing a shared/cross access easement to allow for a driveway to Reserve A that meets spacing distance from the intersection of FM 521 (Arterial). Based on frontage, Reserve B may be allowed an additional access point to the east. Angleton LDC Sec. 23-12, N.
2. Bearings do not match metes and bounds.
3. For distance and lengths, provide decimals in the table to match metes and bounds.
4. Recommend making the existing block graphic dashed/unbold (typical).

The proposed plat is incomplete. We are unable to complete the review until the recommended corrections/changes are made and the additional information requested is submitted. HDR recommends that the Ashland Reserves Section 1 Preliminary Plat Review be Revised and Resubmitted.

If you have any questions, please feel free to contact us at our office (713)-622-9264.

Sincerely,

HDR Engineering, Inc.
