EXECUTIVE SUMMARY:

In 2021, the Charter Commission made recommendations regarding charter amendments to Article 3. Despite these recommendations, City Council inadvertently did not accept or approve any modification to Article 3, Section 3.01(8). Thus, the provision remains and is valid, and the interpretation of the provision is the responsibility of the City Council.

RECOMMENDATION:

The City Manager recommends changing section 3.01(8) on the next Charter Review Committee.
