EXECUTIVE SUMMARY:

In 2012 the City of Angleton solicited statements of qualifications for professional engineering services seeking registered professional engineer with extensive experience providing civil engineering services for on-call services.

In May 2012 HDR Engineering, Inc. provided qualifications and in November 2012 the City of Angleton chose HDR Engineering as the most qualified professional engineering firm that responded. Since 2012, HDR Engineering has provided quality professional civil engineering services to the City of Angleton. Further, the City of Angleton Code of Ordinances has multiple references to the City Engineer, and in order to be considered eligible for certain grants the City of Angleton is required to have an appointed City Engineer.

RECOMMENDATION:

Staff recommends approval.
