City of Angleton

**RE: Rock Island & Kyle Rd. 30" Storm Sewer Repair**

Mr. Jeff Sifford,

Please find below the proposal for the above-mentioned project.

HTI Construction, Inc. propose to furnish mobilization, supervision, labor, materials & equipment for the remove & replace of approx. 250' of damaged storm sewer.

**Scope of Work:**

Excavate & remove approx. 250' of old storm pipe. Replace with new 30" RCP or 30" HDPE (City of Angleton Choice). Backfill & compact with 5% stabilized sand 6" around pipe. Compact all excavated spoils. Regrade storm trench for proper drainage. Clean up all disturb areas due to construction.

**250' of 30" RCP= \$46,320.00**

**250' of 30" HDPE= \$39,120.00**

If City of Angleton buys all materials for project, HTI Construction Inc. will install storm sewer=  
**\$17,900.00 (Mobilization, Labor & Equipment Only)**

**Estimate does not include permits, testing, drawings, materials, sod/hydromulch or relocation of any existing utility lines.**

Thank you for the opportunity to bid on this project. As always, we appreciate the opportunity and look forward to working with The City of Angleton. If you have any questions, please feel free to contact me at any time. Thank you!

Respectfully,

Thomas Gutierrez  
Vice President  
HTI Construction, Inc.
