121 S Velasco St
Angleton, TX 77515

09-01-22

Dear Angleton City Council,

The Angleton Heritage Court Property Owner's Association would like to request assigning one-way traffic in our court on Halloween night from the hours of 6:00pm to 9:00pm.

Our community is relatively new. As of 2022 all of the homes in our subdivision are now complete and sold. Last year 2021 during Halloween Trick or Treat Night we had a tremendous turn out of Trick or Treat participants and traffic was extremely heavy. With vehicles parked on both sides of the street and two-way traffic moving in between there is very little space between vehicles to see children crossing the street. Because of such limited visibility the Property Owner's association would like to reduce traffic to only one direction for the Halloween event.

The entrance and exit to the subdivision is limited to one driveway in each direction. I have spoken to Sergeant Vandergriff about hiring two police officers to assist with traffic control and provide the community with a police presence in general during this busy event.

I have included a map of our community streets with directional arrows to indicate the traffic flow the POA is requesting however if the Angleton Police Department after reviewing our request would like to see something different we welcome recommendations.

In closing, the Angleton Heritage Court Property Owner's Association greatly appreciates your consideration in this matter. Our ultimate goal during this event is to help keep the children as safe as possible with traffic moving so heavily and provide police officers to oversee public safety.

Thank You,

Bill Burton
Angleton Heritage Court POA
