EXECUTIVE SUMMARY:

During the 2023 Texas Municipal League (TML) Annual Conference and Exhibition in Dallas, the City of Angleton received a 2023 Municipal Excellence Award in public safety for cities under 25,000 in population. The award recognized the City for its Public Safety Ministry Alliance (PSMA).

Led by the Angleton Police Department, the Public Safety Ministry Alliance provides training and updates on community safety and security. The Alliance consists of area churches, schools, local non-profits, businesses, and city officials who meet every other month to discuss ongoing events. The network shares this information with its respective memberships, which has led to a more informed and prepared community.

On hand at the Conference to accept the award were Mayor John Wright, City Manager Chris Whittaker, Chief Lupe Valdez, Assistant Public Works Director Hector Renteria, City Attorney Judith ElMasri, and Director of Communications and Marketing, Martha Eighme.

Mayor to present the award to those who are were unable to attend the TML Conference for the acceptance of the award.
