Re: On-Going Services
Ashland Street Dedication 4 Subdivision Preliminary Plat – 1st Submittal Review
Angleton, Texas
HDR Job No. 10361761

Dear Mr. Spriggs:

HDR Engineering, Inc. (HDR) has reviewed the preliminary plat for the above referenced subdivision and offers the following comments:

Sheet 1 of 2

1. Verify and provide drainage easement within the Sapphire Springs Trail ROW.
2. Verify and show ditch center line as noted in Street Dedication No. 3 and notation of 100-ft drainage easement is needed.
3. Verify and update label to read Proposed Ashland Section Six.
4. Provide metes and bounds description on plat.
5. Verify the aerial utility easement information is referenced on the plat drawing.
6. Provide a corner tie to the original abstract survey.
7. Recommend providing contours in grayscale lineweight so other plat information is legible.
8. Show linetypes in plat legend or label on plat drawing.

The proposed plat is incomplete. We are unable to complete the review until the recommended corrections/changes are made and the additional information requested is submitted. HDR recommends that the Ashland Street Dedication 4 Subdivision Preliminary Plat be Revised and Resubmitted.

If you have any questions, please feel free to contact us at our office (713)-622-9264.

Sincerely,

HDR Engineering, Inc.
