### EXECUTIVE SUMMARY:

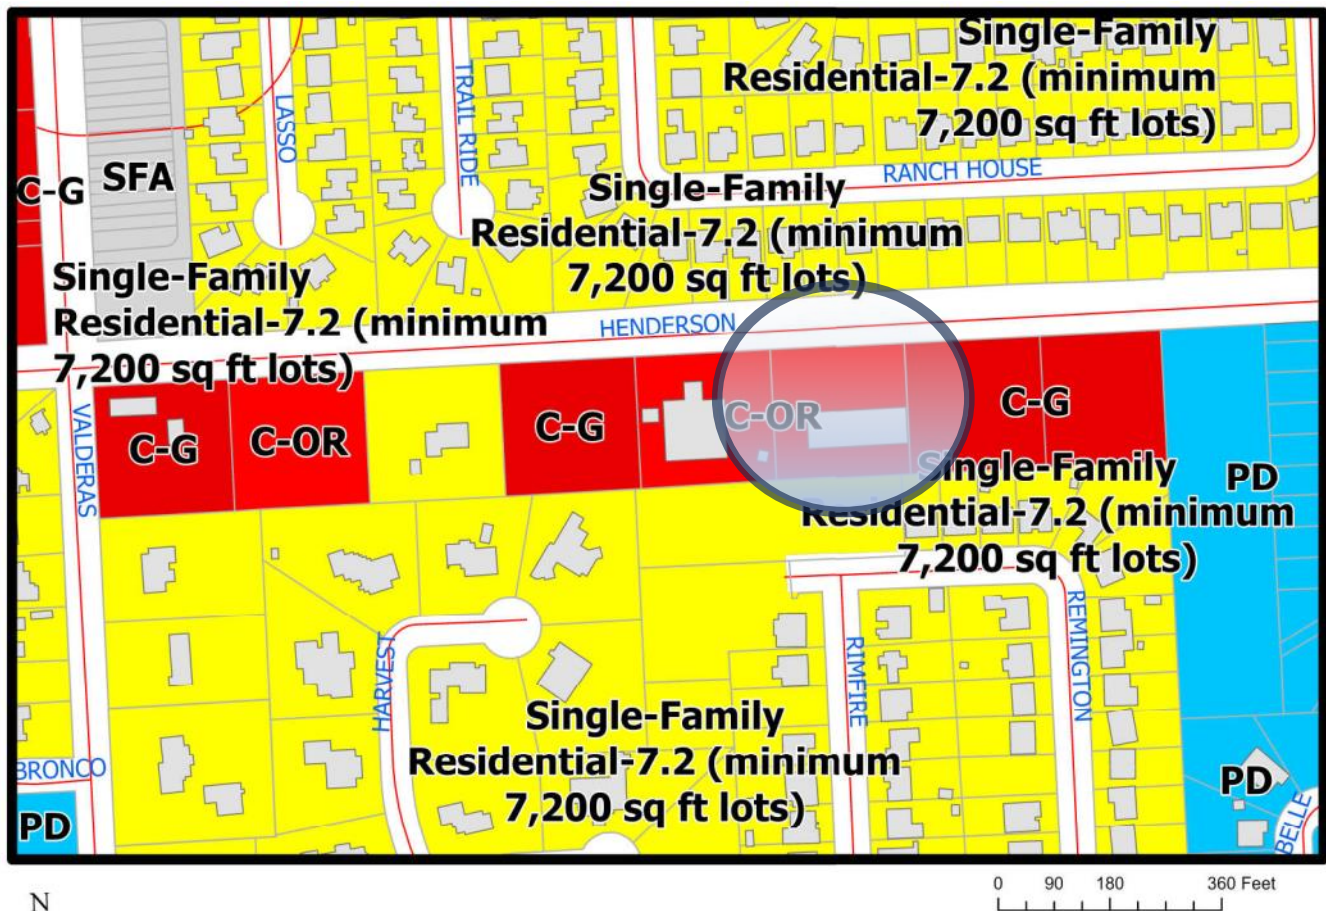

Dale Felder and Jonel Wilcox of Joray One, LLC are requesting a rezoning of the existing Angleton North Shopping Center from "C-OR", Commercial Office-Retail to "C-G", General Commercial District. The property was originally rezoned into the City in 1975, under Ordinance No. Ord 688 Tract 5, as a part of 683 approx. acres. The tract was later zoned to R-1 Single Family. City records indicate that 3 of the neighboring properties were rezoned to C-3 Commercial District (ORD No. 2005-O-10B) is now known as Commercial General District. The two (C-G) tracts directly east of the shopping center are owned by Joray One LLC. Unfortunately, Staff was not able to locate the ordinance that rezoned the subject property to C-OR, Commercial-Office/Retail. However, the current Map indicates the C-OR designation.

*Rezoning Exhibit Map from the 2005 Case*

The owner does not have plans to modify the existing shopping center structure but hopes to better market the tenants for the leasable spaces under the C-G Commercial District.

The owner indicates that his land/shopping center has always functioned as Commercial General, thus he is requesting that it be rezoned to be consistent with the adjacent tracts and the actual usage.

### Staff Analysis

Notice was sent to property owners within a 200-foot radius from the subject property in accordance with the provisions of the City Code of Ordinances and State Code. Property owner names and addresses were located using the Brazoria County Appraisal District information.

### Proposal:

The requester wishes to have this most western tract of his land to be consistent with the adjacent tracts, as a shopping center use.

### Review Criteria and Findings of Fact:

In making a determination regarding a requested zoning change, the planning and zoning commission and the city council shall consider the following factors:

- Whether the uses permitted by the proposed change will be appropriate in the immediate area concerned, and their relationship to the general area and to the city as a whole. **(Staff concurs appropriateness is achieved; the project site and the adjacent land owned by the same owner is commercial in nature. This change will only make the rest of the acreage consistent.)**
- Whether the proposed change is in accord with any existing or proposed plans for providing public schools, streets, water supply, sanitary sewers, and other utilities to the

area; ***(There will no proposed change to the use of the site nor negative impacts on said capacity of public improvements).***

- c. The amount of vacant land currently classified for similar development in the vicinity and elsewhere in the city, and any special circumstances which may make a substantial part of such vacant land unavailable for development; ***(Although this area will continue to see infill commercial development, a change in the zoning will only make the property consistent with strip retail).***
- d. The recent rate at which land is being developed in the same zoning classification as the request, particularly in the vicinity of the proposed change ***(no recent changes to the area have occurred recently from a commercial standpoint on E. Henderson. Recent requests and plans have been submitted for the daycare and storage facility on N. Valderas. )***
- e. How other areas designated for similar development will be, or are likely to be, affected if the proposed amendment is approved. ***(This rezoning will not have any negative impact on other areas of reinvestment, but may lend for more flexibility).***
- f. Any other factors that will substantially affect the public health, safety, morals, or general welfare. ***(No factors will negatively affect the public health, safety, morals or general welfare).***

Future Land Use Map

The adopted Future Land Use/Comprehensive Plan designates the subject property requested to be rezoned as Office/Retail.

**Office/Retail Category (Coral):**

*This district is designed to reserve the most desirable retail areas for office and retail uses, such as sites along and near business SH 288. Office/Retail areas capture many of the locations in Angleton offering the high visibility needed for retail activity. In several instances, such as along SH 288, SH 288 and Business 288, the Office/Retail also serves as a buffer between arterial traffic and low density residential areas.*

#### **P&Z RECOMMENDATION:**

The Planning and Zoning Commission should adopt this as its final report and recommend approval of the ordinance rezoning 1 acre of land from the Commercial-Office/Retail to the Commercial General District, C-G for property located at 728-744 E. Henderson Rd.
